

Dear Parent or Guardian,

Your child has been invited to participate in our Empowerment Group, facilitated by the DOVE Center. The purpose of our program is to promote social and emotional learning through activities that solidify a strong personal foundation. Our structured activities are centered around the following topics: self-esteem and self-worth, peer pressure, healthy relationships, connection and friendships, conflict resolution, healthy coping strategies, boundaries, mental health, and emotional awareness. This group will meet weekly on alternating Wednesdays and Thursdays before lunch from 10:30 am to 11:00 am in the library office conference room.

Please sign and return this permission slip if you would like your child to participate.

Student Name (please print): _____

Parent/Guardian Signature: _____ Date: _____
