

Minutes community council October 2016

Mrs. Mitchell not present

New handbook training:

- Two or more parent members
- Elections the same time of the year each year
- Two year terms
- Digital Citizenship requirement
- Need to meet regularly
- Sign off schoolwide plan
- Create and approve Trust lands plan for expenditures
- 10% of funds can carry over

Upcoming election on amendment B to provide more funding through the Trust lands funds. It will shift from dividends and interest to earnings which will allow a greater percentage of funding to go into the schools.

School wide plan:

The plan is posted on our school website under the title I link.

- A needs assessment has been done using multiple points of data.
- Reform strategies and goals
 - As a school we will be working on our Guaranteed and Viable Curriculum and perfecting our common formative assessments.
 - We will provide 30 min. Daily of Interventions in reading
 - We will provide 1 : 1 interventions for struggling readers in first grade
 - Small group interventions during our computer time
- All teachers are Highly qualified
- We will provide multiple opportunities for professional development.
- We have multiple parent involvement activities and programs in place at our school
- We provide multiple interventions in both math and reading
- All funds are consolidated to implement our schoolwide plan.

All Members of the community council unanimously approve the schoolwide plan. (Mrs. Mitchell approved previously)

Meeting comes to a close.
