Student Body

Crimson Cliffs High School has an enrollment of approximately 1400 students which includes sophomores, juniors and seniors.

Class Rank

Our class rank is determined by students' cumulative grade point averages starting with their freshman year. All subjects are included in the GPA with the exception of coursework graded on Pass/Fail basis. Regular coursework is graded on a 4.0 scale. We do not use a weighted GPA.

Block Schedule

Crimson Cliffs High School is on a four quarter / two semester system. Students attend four classes a day on an A day / B day block schedule.
