- **Principal Message:** Mrs. Eggleston welcomed all PTA members to the new school year. She expressed her desire for school and community unity, as the Coral Canyon Elementary population and boundary has grown this year. She would like to create a stronger relationship with families and students. For this purpose, the school will be hosting a Back-to-School BBQ on September 6th. School staff will be cooking hamburgers and hot dogs. Mrs. Eggleston is asking for two or three names of community or neighborhood talents to provide music for the event- possibly families that attend the school and that are willing to perform. “Unity Walks” are another way that she is hoping to develop those relationships. This is still being planned, but the hope is to open the school for half of a school day, so the community can be brought in to see the Coral Canyon culture, what is going on within the school and take a tour. On a less formal scale, this opportunity is open and encouraged daily to families, as well.
- **Review Fundraisers:**
 - **Starving Student Cards:** go out a week from Monday. To lower the stress of counting this year, sign-ups will be going around for people to help count. Counting will happen twice a week this year, rather than daily.
 - **Color Run:** This will be a very big project. Official date was decided for October 20th. PTA members were asked to watch the Facebook page for more updates on this, as Mindy Kuykendall would like to start planning event as soon as possible. This event will require many volunteers.
 - **Farm Fresh Fruit:** this is an easy fundraiser. Flyers will be created and distributed, parents can order and their fruit will be delivered in December. More details TBD.
 - **Amazon Smiles:** this is an easy fundraiser. Mindy Kuykendall will register an account, flyers will be created and distributed. Parents use a link or dashboard plug-in to order their normal Amazon items, and a small portion goes towards fundraising efforts. More details TBA.
