

Community Council Minutes

August 20, 2013

Meeting called to order at 6:34 pm

Discussion on safety issues: Community Council addressed safety concerns from parents of surrounding neighborhoods. Student access routing map was passed out. A crossing guard was placed at 2000 S. and 3000 E. We need to look at parking lot and foot traffic. East corner bike racks as

well as bus loading to stay the same.

Afternoon gets backed up with crossing in the parking lot with parent cross walk at 2000 and 2580.

City will put in exit on NW corner of school and a sidewalk on North side of parking lot, did not commit

to bike parking on that side.

People helping with traffic and walking- Malea, walk on the side where they want to put sidewalk.

Also posed the question of why our school is more open campus while other schools are becoming more closed.

Bike parking should be accessible on both sides. Mike Leavitt also mentioned having a crosswalk out

of the parking lot. Red drop zone a no drop zone. Amend walking route with no parking signs along

the dirt.

Safety patrol for 5th graders, help with getting kids to where they need to be.

Malinda- we need to reduce auto traffic as much as possible. Meet with parents to show the different

flows.

Drop off at cross walk from Treasure Valley or Stone Hedge. Safety week coming up will discuss

further.

We need to tell everyone that this is a new school and we need to have patience. Kids are being dropped off and darting between cars.

Items we thought about discussing with the city:

Speed limit sign on 2000

Speed bumps

Slow sign out of parking lot when turning west

Other issues discussed to help with safety:

Teachers to be available

Exit only on West side

Don't cross on cross walk in the parking lot

Need another bike rack but District will not pay for one, we will try and get one though.

Nikki Salay made motion to approve the 2000 and 2780 crosswalk be moved to the 1910 S and 2780 E.

Motion was approved by Karl Thurman and second was given by Malinda Whipple.

Mike Leavitt wants to take map to city and talk to them about the changes. Monty and Adam will come to the school. The Fire Dept to come down and paint curbs red.

SGPD will have the say on the speed limits on 2000.

All concerns were addressed that could be and meeting was adjourned at 7:26

Next Community Council meeting will be held on September 12, 2013 at 7pm
