BEHAVIOR AND CITIZENSHIP

Respect and Responsibility at Dixie Middle

Student Behavior

Learning to be a good citizen is an important lesson taught in school as well as at home. **Courtesy to teachers, school employees, other students, and visitors are expected from all students.** Students should be considerate of the rights, safety, property, and feelings of others, despite race, gender, religious or economic background. Students who taunt or harass others for any reason, including, but not limited to race, gender, religion, mental illness, disability will be disciplined promptly.

Work Ethics Guidelines

Certain behavior is expected and necessary for school, just as it will be for the workplace. Dixie Middle School students have an advantage because they learn and practice these behaviors now, and they become second nature.

1. **Arrive on time; be ready to work.**
2. **Come prepared with all necessary materials.**
3. **Turn in clean, legible assignments on time.**
4. **Avoid disrupting the teaching and learning environment.**
5. **Be respectful of others.**
6. **Follow teacher instructions and obey classroom rules.**

Students who repeatedly have problems following the Work Ethics Guidelines--so that they are interfering with the learning environment of others and for themselves--may be assigned to an alternative program outside of regular classes.

Cheating/Plagiarism

If a student cheats on an assignment or test, they will automatically receive a zero for the work in question. The teacher will note that the student was cheating in the gradebook and contact the parents about the situation. The student will have a chance to complete an alternative assignment to demonstrate proficiency. The new score and the zero will be averaged in the gradebook.

Assignment Makeup (Missing School)

All work during any missed class time for any reason (excused, unexcused, tardy, etc.) requires the student to communicate with their teacher and make up the assignment(s). ([WCSD Policy 2900](#)) Deadlines missed for work assigned prior to mid-term may not be able to be made up following mid-term, resulting in zero credit, except in the case of excuse absence during the week prior to mid-term. **Individual teachers or departments may have procedures to follow to determine the amount of time given to submit missed assignments after an absence. Please refer to disclosure statements.**

Assignment Makeup (Not Doing Work)

If a student chooses not to do an assignment, teachers will determine the best plan of action forward, whether the student later completes the work for full credit, reduced credit, or no credit. Teachers will determine which option is best based on the needs of each student and their departmental/classroom policies. Please refer to disclosure statements.

Internet Acceptable Use Policy

DMS has internet access throughout the building; however, in order for students to have access to the internet they must follow the WCSD "[Acceptable Use Policy](#)". **Failure to follow this policy may result in the loss of computer privileges.** There may also be disciplinary or legal action taken for illegal or inappropriate material being viewed or downloaded.

Electronic Devices

Cell phones, smart watches, portable music players, cameras, games and other electronic devices **should not be used during class time (unless instructed to do so by a teacher) and should be kept in a backpack or pocket.** Unauthorized use of these devices by students will be logged and result in the following actions:

- First offense – the device(s) will be confiscated and may be picked up from the office by the student at the end of the school day.
- Second offense – the device(s) will be confiscated and must be picked up from the office by a parent/guardian at the end of the school day.
- Additional offenses – the device(s) will be confiscated and must be picked up from the school by a parent/guardian. A conference with an administrator may be held to discuss progressive consequences.

The use of these devices is regulated under the "Acceptable Use Policy" of the WCSD pertaining to the use of electronic equipment.

Dress Code and Grooming Policy

Washington County School District Policy:

Students who attend school in WCSD are expected to come to school dressed and groomed appropriately for a learning environment and show respect for others by supporting the following dress and grooming standards. These standards are intended to ensure that every school in the WCSD will be a safe place for each student to learn, free from physical or moral threats and free from intimidation by others, to include gangs and gang appearance.

Full School District Policy- [2200 Student Dress Code](#)

Dixie Middle Student Dress and Grooming Policy

All tops (blouses, tee shirts, dresses, etc.) need to, at minimum, hang over the shoulder covering the entire top of the shoulder and cover the entire upper body. Tops and bottoms should completely cover undergarments.

All bottoms (shorts, skirts, dresses, etc.) need to be a reasonable length.. Bottoms need to be worn in a manner as to not to show any underwear, and should not have slits in them above acceptable lengths.

No hoods, beanies, or hats should be worn inside the building.

No clothing with explicit words, symbols, or pictures are allowed at school. No clothing with logos of alcohol, drugs, or promoting adult content should ever be worn to school.

Students have a responsibility to cooperate fully with clothing standards required for special classes (such as shop, home economics, laboratories, physical education) and special school activities.

Please make good clothing choices and dress appropriately for school. Further information is on the school website and communicated throughout the school year.

Dress code violations will be warned by staff and handled by the administration when students are sent to the office. In a first offense, clothing to cover up areas that are not appropriate will be provided (clothes need to be returned to the school or paid for by the student) or the student may find something to wear from a friend or call home. If the same piece of clothing, or a similar piece of clothing, is worn a second time after the first violation, parents will be required for a meeting with the student and the administration.

A student in violation of the Dress Code policy may be sent home to make the necessary changes to be in compliance with the policy. The student may return as soon as the required changes are made.

Once again, please make good clothing choices and dress appropriately for school.

Fighting

Fighting will not be tolerated. Any fighting (mutual combat) will result in both parties being suspended from school. If you are concerned that you or others may be involved in a fight, report your concern to the office immediately. Multiple instances of fighting will result in the student being placed in an alternative setting.

Weapons

As part of the WCSD Safe Schools policy, weapons of any type are unacceptable in the school environment. This weapons policy includes **any type of pocket knife or look-alike weapon.** Consequences for violating this policy can range from confiscation of the weapon up to expulsion from school.

Skateboard/Rollerblade Policy

Washington County School District has adopted a **no skateboard or rollerblade policy** on all of their school campuses. WCSD is not responsible for any accident that may occur as a result of riding skateboards or roller blades on school property. **Students who ride skateboards, scooters or bikes to school must lock them up on the bike and skateboard racks across the parking lot in the front of the building.**

Substitute Teachers

Substitute teachers are to be considered guests in our school with as much authority as the regular teacher. It is the responsibility of students to see that every courtesy and assistance is offered to substitute teachers. Substitutes will send students who repeatedly disrupt the class or show disrespect to other people in the class to the main office.

Public Displays of Affection

Students are not to physically express affection in public. This means students should not hold hands, embrace, kiss etc. Students who repeatedly engage in inappropriate displays of affection face possible administrative discipline.

Vandalism/School Property

Students must not mark on school furniture, walls, ceilings, floors, buses or equipment, or tamper with fire alarms, fire extinguishers, or any electrical systems. **Anyone who willfully destroys school property or creates a safety hazard to themselves or others will be subject to school disciplinary measures and charged for repairs.** Additionally, the individual may be referred to the proper law enforcement agency.

ATTENDANCE

School Hours

The school day begins at 8:20 a.m. and ends at 2:40 p.m. unless students are working with a teacher, involved in a school activity or on a district-wide early out schedule. The building will be open from 7:50 a.m. to 3:10 p.m.

To check a student out from school before the end of the school day, a parent/guardian must come into the office and present their ID. For the safety of our students, phone calls from the parking lot will not be sufficient to allow the student to leave the building.

Attendance

The Washington County School Board wants to make every effort to be in compliance with state law and work together in harmony with parents and to assist them with their responsibility to have their children in attendance at school. ([2900 Attendance District Policy](#))

Absence: An absence is defined as any time a student is not in attendance in the classroom to which he or she has been assigned. **Students are responsible for the completion of any work missed due to absence regardless of the reason for the absence.**

Excessive Absences

Regular attendance is directly related to academic success. Chronic absenteeism is defined as missing 10% or greater than days enrolled, and has a negative effect on student achievement.

If a student reaches **four** absences in a quarter and has one or more failing grades, an email will be sent home to the parents notifying them.

If a student reaches **six** absences in any given class in a quarter and has one or more failing grades, a phone call to the parent from the administration or counselor will be made to discuss the situation.

If a student reaches **nine** absences in any given class in a quarter a mandatory meeting will be set for the parent to discuss the situation with the administration.

If a child reaches **eleven** absences they may need to transition to online recovery of credit for that class and be required to pay the fee associated with that program.

In addition to the policy above, if a student has excessive absences, other interventions may include: time to make up school work such as lunch recovery time, before or after school, Attendance Mediation, referral to DCFS/CPS or other community and law enforcement agencies.

Unexcused Absence/Truant: All absences that are not excused by a parent are classified as unexcused absences. Students are allowed up to five (5) unexcused absences per school year. Two class or more periods marked unexcused constitutes a full-day truant. Teachers will mark the students as unexcused if they do not know why they are absent, but will mark them as truant if they know that they were at school and are not currently attending their class. A parent will be notified by automated phone or e-mail every time the parent's student is absent without excuse. **Students who are marked truant will automatically lose the privilege of early lunch release and will need to work off the truant mark (to be determined by teacher or administration) for early lunch to be restored.**

Tardy: A student is on-time to class when she or he is ready to start class before or at the time when the bell has sounded. Students may be marked tardy if they are not in their seat when the bell to start class rings. Tardiness is disruptive to the normal class routine and can be detrimental to a student's achievement.

A tardy may be excused by a parent when an emergency situation results in a student arriving to school late. **A student may not be excused for tardiness between classes, even after lunch** (except if they are physically checked out by a parent/guardian upon leaving the school and the parent notifies the office at the time of return).

Excessive Tardies

Students who are persistently tardy to class (**three consecutive tardies** in one class) may lose the privilege of going to lunch early. Students may earn back the early lunch privilege by attending tardy recovery or meeting with their teachers to work off excessive tardies.

If a student reaches **five cumulative** tardies in any given quarter they will no longer be eligible for early lunch release.

If a student reaches **ten cumulative** tardies in any given quarter the student will be assigned to Tardy Recovery.

If a student is marked Way Late (20+ minutes tardy) for any class after 1st period they will be assigned Recovery Time.

If a student reaches **fifteen cumulative tardies**, a parent meeting may be set to discuss consequences, which may include an attendance tracker, recovering the time, or alternative placement to finish the quarter.

If a student reaches **six cumulative tardies** or **four Way Late** marks when returning from lunch, they will lose the privilege of going off campus for lunch for the remainder of that quarter and will be assigned tardy recovery time to work off the tardies.

Transfers or Moving

A student transferring to another school must bring their parent/guardian the last day of attendance in order to check out. The check-out procedure begins in the counseling center and includes returning all books and school materials to teachers, returning all books checked out from the media center, and paying any fines. The counseling center must also have the student's new address and the name of the new school when possible.

Leaving School Before Last Scheduled Day

The Washington County School Board requires:

1. The student must submit a written request from parents to the school administrator **three days before leaving**.
2. Students need to be cleared through the administration before they make arrangements with the teachers. At this time, they will receive a check-out sheet and written confirmation.
3. All paperwork and assignments that are completed on time will be accepted and graded with the student receiving proper credit.
4. Tests and final exams are not to be given early.
5. The grade may be reduced if the student fails to be in attendance to take the final exam (the grade is not reduced because of the absence, but because of the student's failure to complete the final exam).
6. No student is to be given an incomplete grade the last term unless circumstances are so unique that it can be handled no other way. This applies to all students, not just those who leave early.

Educational Leave

If a student will be absent to do something of an educational nature, they may apply for educational leave (see the assistant principal). Obtaining, completing, and turning in assignments in advance is encouraged. Communicate with teachers regarding make-up work and the possibility of alternative assignments based on the educational nature of the absence. **Start the process at least 7 days before you plan to leave.**

SCHOOL PROCEDURES AND INFORMATION

Counseling Services

Counseling services are available to all students. Many problems dealing with both school and personal life can be improved or resolved by counseling with a trusted adult. The school counselors are happy to meet with you and help you with personal problems that may arise. Ask your teacher for a hall pass or stop by the counseling center between classes and make an appointment. The counselors and our school psychologist are sincerely committed to helping each student get the most out of school and life.

Counseling Center Class Change Policy

Each class change will be considered by the counselors individually. To make a class change, see a counselor and the following procedure will be followed:

- Counselors will review schedule change requests approximately two weeks before Semester 1 and Semester 2 begins.
- Schedule changes during the first two days of school (one A Day and one B Day) are reserved for new students and schedule errors only.
- The deadline for schedule changes is after the first week of a new semester.
- Schedule change requests will be accommodated based on availability and class size. They are not guaranteed.
- Schedule change requests will likely affect other class periods. Students should inform counselors if there are class periods they do not want affected.

- Additional classes are added as enrollment increases. This may require balancing of teacher class sizes and will affect some students' class schedules.
- If a class schedule change is poor for the learning environment the teacher can revoke/reverse the class change to improve the learning in the classroom.
- Schedule changes will not be made between quarters unless extenuating circumstances necessitate doing so.
- If students request a core classroom teacher change (Science, Language Arts, Math, Geography) then students and parents must meet with the classroom teacher to address concerns and discuss solutions. The change will only be made if all parties agree it is in the best interest of the student and there is availability in another classroom.

Hall Passes

Hall passes are required any time you are out of class during a regular class period. Students must sign out via SmartPass on the kiosk provided in each classroom. Hall privileges have a time limit and students have a daily pass limit, unless a medical or 504 plan is in place. Students must sign back in upon returning to the classroom. Misuse or abuse of passes may result in serving Recovery Time.

The Nest Pass: As an alternative to signing out on SmartPass when a student needs a wellness break, each classroom has a physical pass for students to use in urgency for access to our wellness center, located in the counseling office. Students may be in the Nest for 10 minutes, while having the option to talk with a counselor if they don't feel ready to return to class when that time has expired.

Physical Education

Each student is expected to dress daily for P.E. You may wear a pair of plain, dark colored shorts and a plain white T-shirt (no designs or writing except your name), however there are school P.E. clothes available to purchase (for \$15.00 per set) that students are encouraged to wear. You will also need socks and tennis or athletic shoes. Please put your name on your P.E. clothes and remember to **lock everything up every time you leave the locker room. Dixie Middle School is not responsible for items lost/stolen from the locker room if they are not locked properly into the locker that is provided for you.**

If you cannot participate actively in P.E., you should bring a doctor's excuse which states what activities you must avoid and for how long. If you haven't been to the doctor yet, dress out and speak with your teacher.

Lockers

Lockers will be available upon request in the counseling office after the first full week of classes. Any problems with lockers should be reported to the office immediately. Lockers are the property of the school and may be inspected by administration any time. Students should not keep valuables or money in their lockers. Leave valuables or excessive amounts of money at home. **Do not** give your locker combination to anyone; combinations **cannot** be changed during the year. Damage to the locker due to stickers, jamming, etc., is the financial responsibility of the student assigned to the locker. Locker clean-out will take place the last week of school.

Personal Property

Students must assume sole responsibility for loss or damage to any personal property left anywhere in the building, including a locker. The main office maintains a lost and found. **We strongly encourage you to leave expensive items at home.** Students should not bring large amounts of money to school. Items such as toys, electronic games, etc. are **not** permitted in school. **Cell phones are not to be used during class time.** Any of the above items will be confiscated and can be picked up at the office as determined by the Electronic Devices section.

Media Center

The Media Center is open before school, during lunch time, and after school for student use. The Media Center is for reading and studying. All

books checked out through the library need to be returned in the same condition in which they were checked out.

Lunchroom

At lunch time students may purchase a hot lunch from the school, bring their own lunch from home, or go off campus **if they can get back to school on time for their next class**. Food needs to be consumed in the cafeteria or outside the building and **may not** be taken into other parts of the building. Halls are closed during lunch, with the exception of media center access. **Students who repeatedly return late to class following lunch will lose their off-campus lunch privileges.**

Be sure to observe these lunch rules:

1. Clean up after yourself.
2. No crowding or cutting in line.
3. No throwing anything in the lunchroom.
4. No rough play in the lunchroom (yelling, running, pushing, etc.).
5. No unauthorized entry to classroom halls during lunch.
6. Be on time to your next class.

There is an early release incentive for lunch for those who have earned this privilege. Students with fewer than five cumulative tardies and fewer than five cumulative unexcused absences, no truancy marks, and all grades a C- or above in all classes will be released for lunch fifteen minutes before the 11:30 lunch bell from their mentoring class. A student who has earned an early lunch but is requested for interventions, must attend the entirety of the intervention period. **This is a reward that we want ALL of our students to earn and enjoy.**

Elevator Key

There is a \$25 refundable deposit for any student needing to use an elevator key. Once the key is returned a refund will be issued.

Student Cars

9th grade students with a driver's license are not permitted to drive on Washington County School District property.

Bus Transportation

Bus transportation is a privilege granted by the school district. If you misbehave on the bus, an official complaint will be filed by the driver and turned over to the school administrator, who will notify parents. Misbehavior on the bus may result in losing privileges to ride the bus to and from school.

Fire & Emergency Drills

Fire and emergency drills at regular intervals are required by law and are an important safety precaution. It is essential that when the fire alarm goes off, everyone obeys instructions promptly and clears the building by the prescribed route immediately. In the event of a drill, students will remain outside until the all-clear signal is given.

Evacuation Procedure

Students will line up with classes at the evacuation site, out on the field between the Middle School and High School. Students will line up with the teacher of the class they are in, or the class they just left (if at lunch or between classes). In the event of an actual emergency, information will be sent via PowerSchool Messenger about reunification with further instructions including location and pickup time.

Visitors

All visitors must report to the main office upon entering the building. Visitors need to be cleared with the main office and approved to be on school property at any point during the school day.

Report Cards

The school year is divided into four grading periods or terms. These terms last for approximately nine weeks. During the year, students will receive one grade per class at the end of each term. **Parents and students are strongly encouraged to check PowerSchool consistently to know**

updated attendance and grades. If you need assistance with PowerSchool, please contact the main office.

EXTRA-CURRICULAR ACTIVITIES

Student ID Cards

A student ID card is the passport to the activity program in the middle school. It identifies a student as a current member of the student body. The card will also entitle 9th grade students to attend after-school activities sponsored by Dixie High School. There is a \$5 charge to replace lost ID cards.

Student Government

Student Council consists of several elected representatives from each grade. Students should know who their representatives are and communicate to them problems, concerns, good ideas and suggestions. Information about running for student government election can be obtained from the council's teacher advisor.

Competitive Activities

Any student participating in a competitive activity during the school day or the evening **must be in attendance and on time to all classes that day** until leaving for the activity in order to be eligible to participate. A fee must be paid at Dixie High School prior to participating in 9th grade team athletics (fee waivers are available). Student athletes must meet minimum citizenship and academic requirements. Any questions regarding eligibility should be directed to the school counselors.

Insurance

Student accident insurance is available through a private insurance company. Families may choose from several different policy plans. Students who want to participate in extracurricular activities, but do not have family insurance, are encouraged to consider this insurance option. No insurance is provided for students participating in extracurricular activities by the school. The policy may be purchased at the first of the year. Contact the main office for more information.

Activities & Assemblies

There will be a variety of activities, including dances, and assemblies during the year. Students should be on their best behavior. Those students who misbehave may be denied the right to attend future activities.

School Chartered Clubs

Students are encouraged to be involved in school sponsored activities and clubs. DMS clubs and activities are in alignment with WCSD school board policy and local, state and federal law. Refer to [WCSB Policy 3640](#) on the school district website.

Technology Acceptable Use Policy (Abridged)

The information included below has been abridged to include only student responsible use information. The policy can be read in its entirety at the Washington County School District Website ([Policy 3700](#))

COMPUTERS AND THE INTERNET

It is the policy of the Washington County School District to permit students, patrons, to have computer and Internet access under approved regulations and guidelines, to include those listed in the Children's Internet Protection Act, State Law, and policies adopted by the Board of Education. In general, the user's responsibilities require responsible, decent, ethical, polite, efficient, and legal use of computer and network resources. Students must not access obscene, pornographic, or material that is deemed to be harmful to minors. District and school personnel will instruct students on acceptable use of computers and Internet resources and proper network etiquette. All students are granted access to the internet, but all access to the internet through district resources is subject to the terms of the Technology Acceptable Use Agreement and District policy.

Internet use is a privilege, not a right, and inappropriate use will result in a loss of network privileges, disciplinary action, and/or referral to legal authorities. The system administrators will close an account when necessary. An administrator or faculty member may request the system administrator to deny, revoke, or suspend specific user access and/or user accounts.

Authorized District employees have the right to intercept or read a user's e-mail, to review any material, and to edit or remove any material which they believe may be unlawful, obscene, defamatory, abusive or otherwise objectionable. If the District intends to impose any discipline upon a student other than revoking privileges for the remainder of the school year, the student will be afforded appropriate or adequate due process.

Nothing is private on the District-owned network. If a user accesses a particular site on the Internet, it is likely that someone knows the connections that the user is making, knows about the computer the user is using and what the user looked at while on the system. Frequently these sites maintain records which can be subpoenaed to identify what the user has been viewing and downloading on the Internet. In addition, the District reserves the right to monitor whatever a user does on the network and to make sure the network functions properly. A user has no expectation of privacy as to his or her communications or the uses made of the Internet.

- Users are expected to abide by the generally accepted rules of network etiquette. These include but are not limited to the following:
- Be polite
- Do not be abusive in your messages to others
- Use appropriate language

- Do not swear, use vulgarities or any other language inappropriate in a school setting

INTERFERING AND ELECTRONIC COMMUNICATION DEVICES

This includes any device or object that may, if used or engaged, interfere with the educational process for either the student possessing or using the object or for other students. These devices include, but are not limited to:

Telephones
Cameras
Radios
Video broadcasting devices
Lasers, laser pens or laser pointers
Portable music players such as CD players, MP3 players, or iPods
Video games
Other electronic equipment or devices

Except as set forth below, a student may possess, but may not operate or engage, any interfering device during school hours or at school functions, unless specifically authorized in advance by the school personnel in charge of the class or activity.

It is District policy that students and others in the District will not be subject to video or audio capture, recording or transmission of their words or images by any student at a school without express prior notice and explicit consent for the capture, recording or transmission of such words or images.

Electronic communication devices and cameras must not be possessed, activated, or utilized at any time by any person, to include a student, teacher, staff employee, patron, or any other individual, in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, shower rooms, restrooms, and any other areas where students or others may change or be in any stage or degree of disrobing or changing clothes.

The principal or administrator of the school is hereby given authority to make determinations as to other specific locations and situations where possession of electronic communication devices and cameras is absolutely prohibited.

At no time may any electronic communication device or camera be utilized by any student in any way which gives the impression to others of being threatened, humiliated, harassed, embarrassed, or intimidated.

STUDENT DISCIPLINARY ACTIONS

Any electronic device found on District property is subject to search and confiscation. Pornographic or indecent material will be reported for possible criminal prosecution in accordance with the UCA 76-10-1235 and/or other applicable District, state and federal regulations. For each observed violation of this policy, it shall be the duty of the school teacher or administrator observing the violation to immediately confiscate the interfering device. Employee or patron violations will be immediately reported to the appropriate school or District administrator. Furthermore, the school or District may take additional disciplinary action as described in other District policies. The confiscated device shall be forwarded to the administrative office together with the name of the person from whom the device was confiscated. The school office should make arrangements to notify the parent/guardian of the student from whom the device was confiscated and arrange for the parent or guardian to pick up that device at the school office.

Any use of an electronic communication device or camera to record sounds or images or otherwise capture material in an unauthorized setting or at an unauthorized time shall subject the user of the device to increased

discipline based on the circumstances and whether the student has been involved in prior violations of this policy and/or other District Policies.

The use of any interfering device or any electronic communications device or camera to threaten, intimidate, or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft, or academic dishonesty may result in an immediate suspension of not less than three days nor more than ten days.

The use of any interfering device in a manner which may be physically harmful to another person, such as shining a laser in the eyes of another student, may result in an immediate suspension of not less than three days not more than 10 days. When a student repeatedly engages in such behavior, the punishment may be increased as is appropriate.

Prevention of Sexual Harassment

WCSD Policy 2116

Sexual harassment includes any gender-related unwelcome written or verbal slurs, vulgar jokes, derogatory statements or actions. Sexual harassment also includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when the harassment is so severe, pervasive, and objectively offensive that it can be said to deprive the victims of access to the educational opportunities or benefits provided by the school and such harassment takes place in a context subject to the School District's control.

Student Complaint Procedures

If a student believes he/she is subject to harassment, the student should first consider telling the person that they do not like what is happening, that they consider it a violation of the school district policy on harassment, and that they want it stopped. In many cases, a clear statement that the student wants something stopped will be enough to take care of the situation. **Students are not required, however, to confront the person in this way.**

The student has the right and **is encouraged** to report the problem immediately to the **principal, counselor, or assistant principal** at their school. Students should not feel embarrassed, intimidated, or reluctant to file a valid harassment report.

Any teacher, counselor, administrator receiving a report of harassment from a student must report the incident to the school principal or designated administrator or supervisor. The principal or designated administrator/supervisor has the responsibility to conduct a preliminary investigation when he/she receives an oral or written complaint, observes, or has reason to suspect sexual harassment.

Students or staff may request a district-level investigation by submitting the written complaint to the appropriate person, the Assistant Superintendent, the Superintendent, or the Human Resource Director. The complainant and the accused have the right to be represented by a person of their choice, at their own expense, during sexual harassment investigations and hearings. Complainants also have the right to register sexual harassment complaints with the U.S. Department of Education's Office for Civil Rights or the Utah Anti-Discrimination Division/EEOC. Nothing in this policy shall be construed to limit the right of the complainant to file a lawsuit.

Retaliation Prohibition

Any act of reprisal against any person who opposes sexually harassing behavior, or who has filed a complaint, is prohibited and therefore subject to disciplinary action. Likewise, reprisal against any person who has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing of a sexual harassment complaint is prohibited and therefore subject to disciplinary action.

False Complaints:

False, malicious, or frivolous complaints of harassment will result in corrective or disciplinary action taken against the accuser.

Training

Principals in each school and program directors shall be responsible for informing students and staff of the terms of this policy, including the procedures established for investigation and resolution of complaints. Additional Information is available on line at: http://www2.washk12.org/policy/1000/1420_sexual_harass.html

The Utah Department of Health maintains a voluntary, confidential record system to assist parents/guardians, health care providers, and schools in documenting your child's immunizations. This record system is called the Utah Statewide Immunization Information System (USIIS). Allowing your child's school to share your child's immunization history with USIIS will aid you, your child's health care provider, and the school to determine which immunizations your child has received and which may still be needed. **If you do not wish to give permission for the school to your child's/legal dependent's immunization information with USIIS, please request an opt-out form from the School secretary.**
