

## Exploring Business and Marketing

Mr. Tracy

**Rodney.tracy@washk12.org**

Welcome to Exploring Business and Marketing with Mr. Tracy. This class is a semester class and is worth .5 credits towards your High School graduation requirements.

In this class we will be going over the basics of Marketing, Business, Accounting, and Economics. It will give you an overview of several Business classes you can take at Dixie High. Materials to bring to the classroom: Paper, Pencil. Remember that work must be completed before the Mid-Term or the end of the Term, otherwise you cannot redo once those dates are past, see the student Handbook. Assignments are 30% of your grade, tests and quizzes are 70%.

Students need to follow all rules and procedures so they can learn. Students will enter class and start with bell work. No food or drink will be brought into the classroom. Water will be allowed if it is in a sealed bottle/container that will not spill. Cell Phones, Smart Watches and other connected devices must be kept in the provided storage location. If they are not stored there, the student will be marked absent and then the phone will be taken from them and delivered to the office, as per the Student Handbook, for violation of the Electronics Policy. Students will use the programs provided and will not play games or go to other websites. Only those websites I have provided or those used for other classes legitimate schoolwork are to be visited. If students finish early and have completed their work, they may work on homework for other classes or utilize the list of websites I have given.

If you have any questions, please feel free to reach out.
