Welcome to Physical Education. Everyone should have a class each day that allows him/her to be up and moving around! In these classes, movement is expected and encouraged as students participate in a variety of sports and fitness activities. Class activities will take place in the gym or out on the grass fields. Our **Essential Standards** will be as follows:

1. Students will understand that participation in physical activity is a benefit to a healthy lifestyle. Through participation, they will exhibit proper etiquette as they participate by the rules and interact appropriately with others who have a different gender, cultural background, or skill level.
2. Students will learn and apply appropriate skills for the sports and activities of the class including offensive and defensive strategies for such activities.
3. Students will be able to assess their personal level of fitness at the beginning of the class to set goals to work on and at the end to evaluate their progress during the class. Students will also learn about the components of Fitness and how their efforts can maximize their results.
4. Students will be able to calculate Target Heart Rate and understand where they should be for optimal benefit during activity. Students will measure their heart rate during activity to see if it is in their Target Training Zone.

Please be aware of the following class policies as well as any school policies that may be found in the student handbook that is posted on the school website.

5. GRADING-

Most of the points for this class will be based on daily class participation. Participation requires effort, not just merely being on the roll. It is expected that students will give their best effort each day. So it is important to be in class as much as possible.

Participation Assignment (recorded weekly on PowerSchool) - 15 points per day - 5 for dressing out, 5 for participating in fitness activities, 5 for participating in class activities. Dressed properly = wearing **ALL** required items (PE shirt, PE shorts, and tennis shoes). **Partial dress out will result in part of the dress out points being lost.** If you do not dress out, you must have a written excuse from a parent or doctor. **No excuse = unexcused No Dress, students will automatically lose 5 points. THOSE WHO DO NOT HAVE A NOTE MUST STILL DRESS OUT.** Participation points will be deducted at the discretion of the teacher based on lack of participation or effort. Students sitting out with a note or with long term injuries will be able to acquire credit through various written activities assigned by the teacher.

Quizzes and Other Assignments - As assigned by the teacher (**State Core**). Any make-ups must be completed in a timely manner and no make-ups will be accepted after mid-term.

Fitness Runs: Every two weeks. Runs will vary from mile runs to 20 minute runs to a series of sprints to stadium stairs. Each run is an assignment worth 10 points for completion. **Fitness Run Make-ups will be during future class times.** Missed fitness runs, for whatever reason, will receive a "0" as a score until it is made up.

There will not be any weighting of assignments. It will all be straight points. **THERE IS NO EXTRA CREDIT IN THIS CLASS.**

A = 93+	A-=90-92	B+=87-89	B=83-86	B-=80-82	C+=77-79
C = 73-76	C- = 70-72	D+ = 67-69	D = 63-66	D- = 60-62	F = <=59

Example of an “A” student:

An “A” student is one who: attends class and is on time - makes up absences - dresses out properly each day, even if wearing office clothes – participates enthusiastically in everything each day – completes and turns in all extra assignments, even when it requires work at home – shows improvement in his/her personal level of fitness.

6. The activity must be recorded on the PE Make-up cards, signed by a parent/guardian, and turned in within **ONE WEEK** of the return to class for full credit. Turning in PE Make-up must be done by the student by a physical card handed to the teacher or a picture of a completed card submitted through the Participation Make-up assignment on Canvas. PE Make-up submitted by email will not be accepted. **After the one week deadline, make-up cards will only be worth partial credit**, unless other arrangements have been made with the teacher. **BECAUSE THIS CLASS IS A PARTICIPATION CLASS AND STUDENTS NEED TO BE IN CLASS, ONLY 5 MAKE-UP DAYS WILL BE ACCEPTED EACH QUARTER.
