

Student Pick up and Drop off Policy for East Elementary

Dear Parents/Guardians,

We are excited for a new school year and want to make sure that all of our students are kept safe. We would appreciate your help in following the East Elementary Pick up and Drop off Policy as explained below.

- Absolutely no double or triple parking. Parents are not allowed to leave their vehicle unless parked in the school parking lot or the West side of 600 East.
- Students are only allowed to enter a vehicle if it is in the designated pick up lane next to the curb or in the parking lot.
- No parking or picking up students near or around the bus loading zone.
- Students must cross streets only at designated crosswalks.

New changes for this year are:

- **No parking along 600 East in front of the school** unless it is on the far side of the road which is the West side by the parking lot.
- **No pick up or parking on the North side along 400 South** unless it is along the curb in front of the bus loading zone.

Thank you for your patience in implementing this pick up and drop off policy.
