Student Achievement News

Lego Robotics Competition: Our team did really well, took 5th place and are going to the state tournament. We are beginning class rotations for Lego robotics starting February.

Brag Tags Report: Students are working hard to achieve them. They have been a big success for student motivation. The lanyards are a little cheap and we probably need to do the nicer ones next year.

Review Budget for 2014-15 year

Discuss budget for coming year
