

Parent and Student PowerSchool Unified Classroom Account Setup Process

Parents: If you have never logged into PowerSchool, you will need to create a PowerSchool Account before proceeding. You can get that information from your school.

Parents: If you have already created a PowerSchool Account, you still need to create a new PowerSchool Unified Classroom username and password.

To create your Unified Classroom Account:

- Parents and Students start at <http://www.washk12.org/powerschool>.
- Click on the “Click here to register for a Unified Classroom account” link.
- Select “Parent” or “Student” from the menu (white page).
- The Unified Classroom Account page will open in a new tab (blue page).
- Select the “Create PowerSchool ID” button.
 - **Note:** You may need to scroll down to see the button.
- Enter your current username and password (white page).
 - **Note:** This is the username and password you already have.
- Click on the “Continue” button (blue page).
- Enter a PowerSchool ID and enter your password twice (blue page).
 - **Note:** This can be the same ID and password as your current ID and password.
- Click the “Create PowerSchool ID” button (blue page).
 - **Note:** Make sure to take note of your PowerSchool ID on the screen.
- Click the “Continue to Unified Classroom Sign In” button (blue page).
- You can now sign in with your new ID.

Please note:

- You will now always sign in to PowerSchool using the new user ID and password.
- From now on, you will always sign in at classroom.powerschool.com

Troubleshooting:

- If you are having trouble signing in, click this link:
 - <https://classroom.powerschool.com/logout>
- If you have forgotten your password, please click the “Forgot Password” link on the classroom.powerschool.com page and your password will be emailed to you.
