

Paying for School Lunch:

We no longer accept checks at Fossil Ridge Intermediate School!

You can send cash in with your student to pay for their lunches, or come in with your credit card. There are 2 ways to pay for lunch online. Create an account with paypams.com to pay online. There is a service charge for using this service. You can also pay online through myschoolfees.com, which has a \$1 service fee.

*****If you would like to apply for free or reduced lunch, or your children have already been receiving free or reduced lunch, you will need to apply or reapply in August when the district lunch site is available for applications.**

Paying fees online with a MySchoolFees account:

On July 29, 2019, MySchoolFees will be open online for you to access and create your account. Go to myschoolfees.com. Please use the Quick User Guide and the 3 minute video demonstration if you are new to MySchoolFees. You will need your student's **6 digit lunch ID** number which is the number they punch in each day in the lunch line. This number begins with "3" and is 6 digits long. **Please don't get MySchoolFees and Power School confused!** The MySchoolFees website is for paying fees and other school expenses. Power School is used for downloading your student's class schedule. They both use your student's lunch ID.

Don't want to pay fees online??? Registration in our office begins August 6, 2019. Please visit our website at fossilschool.org for registration times.

Fee Waivers:

If you would like to apply for a Fee Waiver:

- Go to fossilschool.org, click on the registration tab, print off the Fee Waiver application, fill out.
- The following documentation, along with your completed application, **MUST** be brought to the school on or after August 6, 2019:
 - a. 2018 Income Tax Return
 - b. Last 3 pay stubs of all working household members
 - c. State Assistance Verification.

Please note – a Medicaid Card will not qualify your student.

Accessing your Student's schedule:

Once your student's fees have been paid, or waived, and your student's immunizations are current, you will be able to go to your Power School account and print off their schedule on August 3, 2018.

If you don't have access to the Internet at home, we will have several computers here at Fossil Ridge for you to use to create your accounts and make payments starting on August 6, 2019.
