The staff at Hurricane High School has established an educational environment in which students can comfortably learn at higher levels. Each student has the right to learn at Hurricane High School without disruption or antagonism from other students. The staff is committed to teaching and reinforcing appropriate student behavior. Courtesy, respect, and problem-solving strategies are practiced by all staff members and students. Students are encouraged to consistently follow school rules of conduct, set a positive example for others, and always be conscious of how their behavior affects others.

Together, our goal at Hurricane High School is to assure that each student achieves success and learns at higher levels so they are better prepared for life. We believe that parents play an important role in helping their students achieve our Hurricane High expectations, both academically, and behaviorally. We appreciate your support and partnership in these avenues.

Student Academic Honesty

As members of the Hurricane High Tiger family we want to help you be successful in your learning. In order to help you learn, our teachers are committed to helping you work through the content and skills necessary for life. We expect each student to maintain academic integrity, which includes appropriate use of AI, and avoiding cheating & plagiarism. YOUR INTEGRITY MATTERS:

1. Cheating: Involves the use or the attempt to use unauthorized information, materials, and other aids in academic work. Cheating also includes providing others with said unauthorized aids, or preparing work for another student. Examples of cheating include, but are not limited to:

- Passing examination questions or answers to others.
- Copying another's work, or copying content from any AI source.
- Providing materials for copying.

2. Plagiarism: Involves the presentation of another person's (or group's) ideas or work, or portions thereof, and passing them off as the product of one's own work in any academic exercise or activity:

- To steal and pass off (the ideas or words of another) as one's own.
- To use (another's production) without crediting the source.
- To commit literary theft.
- To present as new and original, an idea or product derived from an existing

source.

Attendance

District Attendance Policy 2900

The Washington County School Board believes that student learning and achievement is directly related to attendance. WCSD strives to make every effort to be in compliance with state law, working together with parents and community resources to encourage the regular attendance of Washington County students. The District believes this to be in the best interest of the students and the community. The Board, together with Washington County Schools, is committed to work in harmony with parents/ guardian(s) and to assist them with their responsibility to have their children in attendance at school. Absences: An absence is defined as any time a student is not in attendance in the classroom to which he or she has been assigned. In order for an absence to be considered an excused absence, the school must be notified by the parent in a timely manner, consistent with state law and this policy. *A student who has turned 18 years old, but enrolled at HHS still needs a guardian's permission to leave school.

Attendance Policy-Due Process:

All absences are per class, not total absences and all absences are considered in the total, excused and unexcused.

- At 3 absences and failing grade: Teachers communicate concern with students.
- At 5 absences and failing grade: HHS attendance secretary will send an email via PowerSchool to parents about our school's concern.
- At 7 absences and failing grade: A second email and/or phone call will be sent to parents by an adult mentor and/or administrator to discuss the concern and possible solutions.

- At 9 absences and failing grade: An administrator contacts the student's parent(s) to meet in-person with concerns, and possible solutions. The student may be placed on a contract, administration will discuss potential alternative placements due to attendance & academic negligence.
- At 11 or more absences and with a failing grade: Students may fail the class and be transferred to an online version of that class immediately or be required to recover the credit with a \$20 fee for credit recovery. Credit recovery will NOT replace a grade, and the F will remain on the transcript unless a grade replacement takes place.
- If students recover the credit before the first day of the next quarter they may be reimbursed the \$20 fee as an incentive to quickly recover the credit. This will replace the credit for graduation, not the F on the transcript.
- If the student does not recover the credit by the first day of the next quarter, they may be enrolled in Study Skills class in place of an elective until they recover the credit(s) for classes with graduation requirements.

Attendance will be the following designated letters on PowerSchool: T-Tardy (right after the bell rings) W-Way Late (up to 20 min. after bell rings) E-Excused Absence X-Unexcused Absence (40+ min after bell) S-Skipped Class M-Medical/Chronic Illness

H-Homebound A-School Related Activity O-Office Excused B-Bereavement L-Late Excused I-In School Suspension Z-Suspension

***A parent will be notified by automated phone or e-mail every time the parent's student is absent without excuse.**

Tardies: At HHS we expect our students to arrive on time to their classes. Our teachers plan meaningful and engaging lessons that reflect this expectation. Tardy students miss out on important instruction given at the beginning of class, and interrupt the learning process of students who arrived on time.

HHS Tardy Policy-Due Process: A student is considered tardy if he/she is not in the classroom when the bell rings. Tardies will result in the following:

- 3 per class - Teacher has a discussion with the student and creates a log entry.
- 5 per class - Teacher emails/calls home to discuss tardy issues. Student may speak with the assistant principal. Potential in-school suspension assigned.
- 10 or more in all classes - Admin intervention. The student may be placed on an attendance contract with a parent/admin meeting. Log entry completed. In-school suspension or other interventions may take place, as per admin.

***Additional tardy discipline for 12+ tardies will be at discretion of administration.**

Truancy: A student will be marked truant if the student willfully chooses not to attend assigned classes. A truant student will spend time in in-school suspension, and will work with teachers to make-up missed school work.

LEAVING SCHOOL DURING THE SCHOOL DAY:

If a student needs to check out during the school day, a parent must excuse the student by contacting the attendance office before the student leaves campus (except lunch). Phone calls from parents are not acceptable for check out, as it must be in person to ensure student safety. Should a student miss school the day of an activity for illness, he or she may not participate in that day's activities - including athletic events and fine arts performances. A truancy will render a student ineligible for that day.

School Attendance Committee:

The School Attendance Committee consists of administrators, counselors, School Resource Officer and attendance secretary. The committee will meet as needed to consider steps to correct attendance problems for individual students. Committee members will also serve as part of the mediation process as agreed upon by parents.

*HHS Administration Attendance Rewards: Students will be recognized and rewarded for perfect attendance and improved attendance. School Truancy definition: A school age minor who is at least 12 years old and who is enrolled in a public school shall attend the public school in which the school age minor is enrolled. When a student is absent from the assigned class, without parental or school knowledge and this absence does not meet the standard of an excused or exempt absence, that student is considered truant.

Student Rewards Program

Hurricane High School works tirelessly to provide a safe and fun learning environment with students being the center of our focus. Our goal is to notice students doing positive things and reward them for their efforts. Our mission is to, "Prepare Students for Life" and in so doing, we strive to grow students' awareness of the positive things they do in life, and help create a shared culture of pride in our school. HHS utilizes a School Rewards store for students to build up points for a variety of things (punctuality, involvement, academic achievements).

HHS partners with many other local businesses to provide incentives for students demonstrating this positive behavior. Our incentives include monthly or weekly drawings, and daily points in individual classes for students demonstrating our values and by demonstrating high character, school spirit, and attending school functions and events.
