

DSU Dental Hygiene Program

(Services offered by the DSU Dental Hygiene Program/Second Year Students)

These services are free for families who qualify with family size, income, etc.

The services are provided at this address:

1526 Medical Center Drive, ST. George (just east of the new hospital).

Fall Semester (Sept. 8 - Dec. 10) days & times are:

Tues. & Thurs. from 8am - 5pm

Spring Semester (Jan. 7 - Apr. 28) days & times:

1/2 day Monday morning, all day from 8am - 5pm Tuesday, Wed. and Thursday

They offer free sealants on:

Saturday, September 26th, after the DSU Homecoming Parade, 1:00 - 3:30 pm at the school (same address as above).

Sealants are plastic resins placed on the tooth surfaces to prevent dental decay (cavities). They recommend putting sealants on newly erupted permanent teeth.

Included is a price list for FULL pay services for those who don't qualify.

They do NOT bill regular insurances, so those would be prices those of us who have insurance would pay if we want to support these dental hygiene students.

DSU Dental Hygiene FULL Prices

(For those who don't qualify for free services)

Child full mouth x-ray series: \$10

Child Cleaning: \$13

Adult full mouth x-ray series: \$20
