Dear Jaguars,

What a great school year it has been so far. We will be completing our 1st trimester this month. Most of you have adjusted to the routines and life of an intermediate school student. I hope that all of you start this 2nd trimester with confidence in your ability to work hard and earn good grades. Remember to stay caught up in all of your classes. It is hard to play catch up at the end. Make this a great school year!

This month I encourage each of you to be thankful. I love the saying, “There is always something to be thankful for.” I’m thankful to have the opportunity to work with such amazing students and families!

Habit 3: Put First Things First

Work First, Then Play

I am disciplined & organized.

I spend my time on things that are most important. This means I say no to things I know I should not do. I set priorities, make a schedule, and follow my plan.

The mission of Hurricane Intermediate School is to ensure that every student is high-achieving and well-rounded.
