Dear Jaguar Parents and Students,

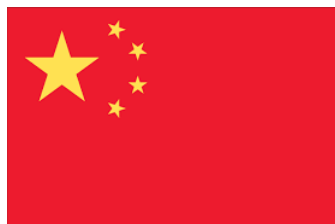

Welcome back to school! We've had a great start to the year.

As you've probably noticed, the school is growing. We have added several new teachers and now have dual immersion Chinese and Spanish classes. We are also happy to add a Life Skills class back to Hurricane Intermediate because those students with special needs sure add a lot of great things to our school. Also, thank you for your patience with the bus schedules as the district continues to look for qualified drivers.

We hope to have a wonderful year where we work hard, play hard, accomplish difficult things and treat others with kindness and respect.

Thanks for all you do.

Mr. C
