3. Turn in all assignments on time. All work will be clean and legible.
4. Avoid disrupting the teaching and learning environment.
5. Make an effort to get along with others. Keep your hands, feet, and other objects to yourself.
6. Do not make hurtful comments to anyone.
7. Obey the classroom rules.

Washington County School District
Safe Schools Policy

The Board of Education of the Washington County School District recognizes that every student should have the opportunity to learn in an environment which is safe, conducive to the learning process, and free from unnecessary disruption. A complete copy of the policy is available at the school upon request.

To foster such an environment, the following policy has been adopted and is based on the following principles:

1. Each student is expected to follow accepted rules of conduct.
2. Each student is expected to show respect for other people and obey persons in authority at the school.
3. The policy applies to students while in the classroom, on school grounds, on school vehicles, and in school-related activities or events.
Grounds for Suspension and Expulsion

Suspension is for a period of up to 10 school days per incident. Expulsion is defined as the removal from school for any period longer than 10 consecutive days, but not more than 1 school year.

A student may be suspended or expelled from school for the following reasons:

1. Frequent or flagrant willful disobedience of proper authority or disruptive behavior, including the use of foul, profane, vulgar, or abusive language;

2. Willful destruction or defacing of school property;

3. Behavior or threatened behavior which poses an immediate and significant threat to the welfare, safety, or morals of other students or school personnel or to the operation of the school, including bullying, emotional or physical sexual harassment (see policy 1425 on sexual harassment);

4. Possession, control, or use of an alcoholic beverage as defined in Section 32A-1-105 of the Utah Code.

5. Possession, control, or use of tobacco

6. Possession or use of pornographic material on school property;

7. Behavior which threatens harm or does harm to the school or school property, to a person associated with the school or property associated with any such person, regardless of where it occurs.

8. Because of identification and association with gangs, the following will not be permitted on school campuses or at school activities: bandannas or any article of clothing bearing gang symbols, names, initials, insignia, or anything else that signals gang affiliation.

8. When a school official determines that time is needed to establish further facts of an act or series of acts of disobedience and misconduct disruptive to the learning process which may lead to suspension or expulsion from school.

Students may also be suspended from school for any of the following reasons:

- vulgar or indecent conduct;
- repeated tardies to school or classes
- theft or dishonesty, including cheating; lying
- persistent littering;
- gambling/card playing;
- truancies.

A student shall be suspended or expelled from school for the following reasons:

1. Any serious violation affecting another student or staff member, or any serious violation occurring in a school building, in or on school property, or in conjunction with any school activity, including:
   a. Possession, control, or actual or threatened use of a real, look alike, or pretend weapon, explosive, or noxious or flammable material under Section 53A-3-502;
   b. the sale, control, or distribution of a drug or controlled substance as defined in Section 58-37-2;  
   c. the sale, control, or distribution of an imitation controlled substance as defined in Section 58-37b-2;  
   d. the sale, control, or distribution of drug paraphernalia as defined in Section 58-37a-3;

2. The commission of an act involving the use of force or threatened force which if committed by an adult would be a felony or class A misdemeanor.

A student who commits a violation of section 1(a) above involving firearm, explosive, or flammable material shall be expelled from school for a period of not less than one year, unless the Superintendent determines, on a case-by-case basis, that a lesser penalty would be more appropriate.

A student may be denied admission to school on the basis of having been expelled from that or any other school during the preceding 12 months. A suspension or expulsion under this policy is not subject to the age limitations under Subsection 53A-11-102(1).

During the time of suspension or expulsion the student may not be on the school grounds for any reason without permission. Failure to abide by this will result in meeting with the resource officer for a trespassing violation.

Police Involvement:

The School Resource Officer (SRO) will be involved if students are found to possess controlled substances, weapons, are guilty of vandalism or assault, or are found guilty of any violation of the law. Parent permission and/or presence will be sought prior to proceeding with any criminal investigation.
Zero-Tolerance Behavior
The following will not be tolerated and will result in parent involvement & negative consequences, which may include suspension, expulsion, and/or police involvement:

1. Harassment, bullying, sexual harassment.
2. Fighting and/or promoting fights—Neither is tolerated and suspensions will likely follow regardless of who starts the fight. Fight promoters will be dealt with as seriously as the fighters.
3. Defiant, ungovernable behavior may also be reported to Juvenile Court.
4. Disrespect to all school personnel and visitors, including administrators, counselors, teachers, substitute teachers, librarian, aides, secretaries, custodians, cafeteria workers, and bus staff.
5. The sale, possession, or use of tobacco, alcohol, drugs, or weapons.
6. Damage to school, other student, and/or school personnel property, vandalism, graffiti, etc.
7. Cheating, lying, plagiarizing, or forging signatures on any school document.
8. Lewd conduct.
9. Behavior which causes harm or possible harm to others.
10. The inappropriate use of cell phone and cameras.
11. Public display of affection

Our Rules
1. Be respectful!
2. Don’t do anything that will cause a problem for anyone else.
3. You may solve a problem any way you need to, as long as it doesn’t cause a problem for anyone else.
4. If you cause a problem for anyone else, we’ll have to do something about it.

Textbooks and Library Materials
Textbooks are the property of the school. Students are held accountable for books issued to them. Fines are imposed for undue wear or damage. If books are lost, students are responsible for their cost. Library materials are also the property of the school. Any damage or loss of these materials will also be charged to the student.

Our Rules
1. Be respectful!
2. Don’t do anything that will cause a problem for anyone else.
3. You may solve a problem any way you need to, as long as it doesn’t cause a problem for anyone else.
4. If you cause a problem for anyone else, we’ll have to do something about it.

PE and Music Lockers
It is a privilege to use a locker. Any misuse will result in the student losing that privilege for the rest of the school year. If a student is accessing another student’s locker, both will lose the privilege of using a locker.

Grading
HIS employs a dual grading system—Academic and Effort grades.

The academic grade is determined by assessments which reflect student understanding of core concepts. Examples may include tests, quizzes, oral reports, and other performance-based assessments. The academic grade is measured as A, B, C, or NP (not proficient).

The effort grade reflects all other work done in class or at home. Examples may include daily assignments, homework, group projects, etc. The effort grade is measured as A, B, C, or U (unsatisfactory).

Nuisance Items
Items not directly associated with education including but not limited to electronic devices (i.e., radios, cell phones, CD players, electronic games, laser pens, iPods, MP3s, beepers, cameras, fidget spinners, water guns, balloons, rubber bands, stuffed animals, etc.) should not be brought to school, and may be confiscated.

HIS is not liable for anything stolen from or damaged in your locker. Don’t bring anything of value to school.

Don’t give your combination to any other student. Students must make sure that everything, including backpacks, is locked in the PE lockers.

These items often cause disruptions and may be targeted for theft. Any of these items that are brought to school and turned on during school hours are subject to search and must be picked up by a parent.

Don’t bring valuables to school. If you must bring something of value to school, check it in at the office.

Bicycle Safety
Students must obey all traffic regulations when riding to and from school. Be sure bikes are chained and locked in the bike racks. Bikes and bike rack areas are off-limits to students during the school day. We encourage the use of helmets. Skateboards, scooters, bicycles, and roller blades are not to be ridden on campus grounds nor in the building.

Searches
Students can and may be searched at anytime when there is a reasonable suspicion of a rule and/or law violation. Parents will be called for any student under the age of 14 years old. Backpacks, electronic devices, and purses may also be searched anytime there is reasonable suspicion of a violation.
**Bus Transportation**

Bus Transportation is a privilege. If you misbehave on the bus, an official complaint will be filed by the driver. You will be counseled, warned, and you may have your bus transportation privilege suspended! Your parents will be notified. Do exactly what the driver tells you!

1. Use the same conduct as in school.
2. Be courteous.
3. Use no profane language.
4. Do not eat or drink on the bus.
5. Keep the bus clean.
6. Do not destroy any part of the bus.
7. Stay in your seat.
8. Keep head, hands, and feet inside bus.
9. Bus driver may assign seats.

**Only students who live in a specific bus boundary can ride the bus. Exceptions for special circumstances are determined by the school administration**

**Dress Code:**

1. Attire and grooming of all students should be neat, clean, and safe.

2. Students have the responsibility to avoid apparel that causes a distraction or disruption, interrupting school decorum and adversely affecting the educational process. Students must also avoid apparel that is offensive, represents a risk, or threatens student safety.

3. Students have the responsibility to cooperate fully with clothing standards required for special classes (such as shop, home economics, laboratories, P.E.) and special school activities.

4. Students have the responsibility to avoid grooming that causes a distraction or disruption, interrupting school decorum and adversely affecting the educational process. Students must also avoid grooming that is offensive, represents a risk, or threatens student safety. (Extremes in body piercings, hair styles and hair colors may be considered a distraction or disruption).

5. Printed apparel is acceptable only if it is in good taste. Any apparel displaying profanity, suggestive slogans or images, or promoting substances illegal for consumption by a minor is not allowed.

6. Hats, hoodies, beanies, sunglasses, etc. are not to be worn in the buildings during regular school hours.

7. Clothes that are mutilated (distressed) 4” above knee or immodest are not appropriate school wear. Any apparel revealing a bare midriff, (including when raising arms), bare shoulders, low neck line, or cut low under the arms, is not permissible. Tank tops, without a covering garment or t-shirt underneath, are not permissible. Sleeveless shirts must be at least 3 inches wide at the cap and cover from neck to outside of shoulder. Undergarments should not be visible.

8. Dress, short, and skirt lengths must be modest and not revealing. They can be no shorter than 4” from the top of the knee cap in a standing position. Leggings (opaque) worn beneath any of these can make these acceptable.

9. Any apparel approved for school wear should be worn with appropriate undergarments and suitable footwear. Shoes, boots, flip-flops, and sandals are considered suitable footwear. Slippers are not. Shoes must be worn at all times.

10. Pants must be worn at the natural waist. Sagging pants are not allowed!

11. Belts are to be tucked in and not hanging. Wallet chains are not acceptable.

12. Clothing attachments or accessories which could be considered weapons are not allowed.

**Dress Code Violation**

On the first incident the student will be required to change clothes. The second incident, the student will be detained until a parent can bring a change of clothing. Other incidents may result in out-of-school suspension with a parent conference required.

**Gang Apparel and Participation**

1. A gang as defined in this policy means a group of three or more which has a unique name sign, symbol, or mark, and whose members engage in criminal or violent behavior to persons or property, or who create an unreasonable and substantial disruption or risk of disruption of a class, activity, program, or other school function.

2. Students are prohibited from engaging in any form of gang activity, including the wearing, possessing, using, distributing, displaying, or selling of any gang attire, symbols, signs or other things which are evidence of membership in, recruitment of, or desire to be affiliated with a gang.
3. As gang styles and clothing continually evolve and change, the following prohibited items are only representative of prohibited clothing. Additional styles and apparel may be considered gang-affiliated, as identified in consultation with school officials and law enforcement authorities: bandannas or any article of clothing bearing gang symbols, names, initials, or anything else that signals gang affiliation.

4. Students who wear such apparel will be asked to change clothes and parents will be notified.

**Attendance Policy:**

**Procedures for Intermediate Schools**

Rationale: To establish a transition from the elementary to the secondary. This will prepare students for the secondary attendance policy that requires restitution that affects earned credits in High School.

In accordance with the “State Compulsory Education Requirements” (Utah Code, Section 53A-11-101), and to help provide intermediate-age students with the best opportunities for learning, the following policy will apply at intermediate schools within Washington County School District.

When a student has excessive absences or tardies during the quarter the school will:

1. Discuss the reason for excessive absences and/or tardies with student.
2. Notify parents
3. Request doctor’s verification with specific dates for absences due to illness.
4. Develop a contract with parents and student. Contract may include consequences such as: suspension, work hours, directed studies, court mediation, youth court, or referral to DCSF.

If the attendance contract does not resolve the attendance problem then a referral will be made to juvenile court for truancy or to DCFS for educational neglect.

**Truancy**

The first truancy requires a parent conference that includes developing a written attendance contract. Continued truancies will meet the district and juvenile court requirements for a referral to court. Excessive absences (more than 10) may result in a charge of educational neglect.

**Tardies**

Tardies not only harm student learning when arriving late, but also unfairly interrupt the work of students who made the effort to be on time. In order to encourage students to be on time, we have classroom and school-wide rewards for getting to class on time. Students must be to class on time in order to participate in school-wide activities. Excessive tardies will result in an attendance contract and may prevent invitation to activities.

**Visitors**

Parents are always welcome and encouraged to visit the school and their child’s teachers. For the safety of our students, all visitors must report to the main office immediately upon entering the building. Because of the interruptions to classroom activities and campus routine, visitors other than parents will not be allowed to spend time at school. Trespassers will be referred to the police.

**Hall Passes**

A hall pass is required for students to be out of class. A student out of class without a hall pass is truant. This rule applies to everywhere in the building, including the PE area.

**Sickness at School**

Students who become ill at school should first check with the classroom teacher, and then report to the attendance office. When necessary, parents will be called to come for their child. If parents are unavailable, the emergency contact will be called.

If a student leaves school during school hours (including activities and restitution) he or she must:

A. Have guardian permission.
B. Check out through the office.

**In Case of Injury, Students:**

A. Will be given only emergency first aid.
B. Will call parent and/or family physician.
C. Will call any other doctor or call emergency personnel if necessary.

**Medication at School**

Any medication given to students shall be done through compliance to the District Policy:

- Written permission from parents or guardians.
- Written authorization by doctor, describing amounts to be given, etc.

**Student Insurance**

Accident insurance is made available to students. Applications are in the office.

Remain outside until the all-clear signal.

Telephone
A phone is available for student use. It is located in the main office. Students must check-in with their teachers before using the phone during class time. Students without a hall pass signed by a teacher will not be allowed to use the telephone. A student who uses the phone between classes and does not make it to class on time will be marked tardy.

Cell phones are not to be on during school hours— including during the lunch break. If students must call home, they may get a pass from their teacher to come to the office and get permission to use it. Any phone found to be powered "on" during school hours will be turned into the office requiring a parent to come in and pick it up. Cell phones may be searched if there is reasonable suspicion to do so.

Activities
There will be a variety of activities and assemblies presented during the year. Students may earn participation in these activities through good grades, citizenship and attendance. Those students who misbehave during assemblies and activities may be sent to detention and may be denied the right to attend future activities.

IMPORTANT STUDENT AND PARENT RIGHTS

FERPA NOTIFICATION
The Family Educational Rights and Privacy Act (FERPA) and District Policy 3260 affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1) The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal or assistant principal a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2) The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. Such requests should be in writing and addressed to the school principal or assistant principal. It must clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The following information may be disclosed without consent:

a) Directory Information: The following information is designated as student Directory Information: Student’s name, address (to include internet address), phone number, date of birth, grade level, extra-curricular participation, awards or honors, photograph, video or digital images, height and weight (if a member of an athletic team), previous school attended, dates of attendance, and parent’s name. “Directory Information” may be disclosed without prior written consent. The District will also routinely disclose names, addresses, and telephone numbers to military recruiters.

Parents or eligible students will have two weeks from the beginning of the school year or date a student enrolls to advise the school district, in writing, of any and all items they refuse to permit the district to designate as directory information for the balance of the school year.

b) School Officials: School officials with legitimate educational interests may also have access to records. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member such as a bus driver (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

c) Other Schools: The School may disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605
WASHINGTON COUNTY SCHOOL DISTRICT
PPRA Notice and Consent/Opt-Out for Specific Activities

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires the Washington County School District to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings.

The Washington County School District will provide parents, within a reasonable period of time prior to the administration of the surveys and activities, a notification of the surveys and activities and be provided an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfers from parents to any student who is 18 years old or an emancipated minor under State law).

Prevention of Sexual Harassment

Excerpts from WCSD Policy 1420

Sexual harassment includes any gender-related unwelcome written or verbal slurs, vulgar jokes, derogatory statements or actions. Sexual harassment also includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when the harassment is so severe, pervasive, and objectively offensive that it can be said to deprive the victims of access to the educational opportunities or benefits provided by the school and such harassment takes place in a context subject to the School District's control.

Student Complaint Procedures

If a student believes he/she is subject to harassment, the student should first consider telling the person that they do not like what is happening, that they consider it a violation of the School District policy on harassment, and that they want it stopped. In many cases, a clear statement that the student wants something stopped will be enough to take care of the situation. Students are not required, however, to confront the person in this way.

The student has the right and is encouraged to report the problem immediately to the principal, counselor, or assistant principal at their school. Students should not feel embarrassed, intimidated, or reluctant to file a valid harassment report.

Any teacher, counselor, administrator receiving a report of harassment from a student must report the incident to the school principal or designated administrator or/supervisor. The principal or designated administrator/supervisor has the responsibility to conduct a preliminary investigation when he/she receives an oral or written complaint, observes, or has reason to suspect sexual harassment.

Students or staff may request a District-level investigation by submitting the written complaint to the appropriate, Assistant Superintendent, Superintendent, or Human Resource Director.

The complainant and the accused have the right to be represented by a person of their choice, at their own expense, during sexual harassment investigations and hearings. Complainants also have the right to register sexual harassment complaints with the U.S. Department of Education's Office for Civil Rights or the Utah Anti-Discrimination Division/EEOC. Nothing in this policy shall be construed to limit the right of the complainant to file a lawsuit.

Retaliation Prohibition

Any act of reprisal against any person who opposes sexually harassing behavior, or who has filed a complaint, is prohibited and therefore subject to disciplinary action. Likewise, reprisal against any person who has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing of a sexual harassment complaint is prohibited and therefore subject to disciplinary action.

False Complaints:

False, malicious, or frivolous complaints of harassment will result in corrective or disciplinary action taken against the accuser.
SUMMARY OF POLICY 3510 “BULLYING AND HAZING”

The Washington County School Board is committed to protecting its students, employees and school guests from bullying or harassment of any type, for any reason. The School Board believes that all students, employees or guests are entitled to a safe, equitable and harassment-free school experience. Bullying or harassment in any form will not be tolerated and shall be just cause for disciplinary action. Conduct that constitutes bullying or harassment will be dealt with immediately and consistently.

“Bullying” is aggressive behavior that is intentional and involves an imbalance of power or strength. A person is bullied or victimized when he/she is exposed repeatedly and over time to negative actions on the part of one or more persons. Therefore, "Bullying" means intentionally or knowingly committing an act that endangers the physical, and/or emotional health or safety of a student, a school employee, or a school guest.

Any act involving any of the following elements will be considered bullying:
(1) physical brutality,
(2) forced or involuntary consumption of any food, liquor, drug, or other substance,
(3) coerced actions or activities of a sexual nature or with sexual connotations,
(4) physically obstructing freedom of movement,
(5) verbal intimidation, such as teasing and name calling,
(6) non-verbal and emotional intimidation through gestures, social exclusion.
