January 2021

Dear Parents and Students,

I hope you all had a wonderful break and are ready to get back to work. The New Year is a great time to set goals, and I encourage you to do that. As you look at grades in PowerSchool this semester, you will notice that teachers are using only 3 categories to report student work (scores for individual assignments can be accessed by clicking on the blue letter grade and percent by each class). We are doing this to report accurately to you what is happening in school. Here are the categories:

Academic: These scores reflect what a student can demonstrate that he or she has learned. They will include tests, quizzes, and assignments that reflect individual student learning.

Effort: These assignments can be done as a class, group, individually, or with teacher or parent help. They are often practice activities.

Citizenship: These scores report how a student is behaving in class. They include getting to class on time, working on and completing assignments, not disrupting class, and teaching others with respect.

I am looking forward to a great finish to the year. Please let me know if you have any questions.

Mr. C

Principal

FINANCE

**Did you forget
to pay your
student's
registration
fees?**

We have several unpaid balances remaining, and would appreciate it if you would double check to make sure you have paid all of your student's fees. Please click on the link below to log in to your Parent PoweSchool account to check on your student's fee balance. If you need further assistance, please contact our Finance Secretary at 435-635-8931.
