- A new attendance policy is in place this school year and seems to be working well with positive response. All parents and students are aware of the new policy. Grades and attendance are better since this new policy was implemented.

- Jan Goodwin will be working on our school accreditation that is due this school year. We will have team visit on January 23-24. He will also take over as supervisor of Southwest High School (adult education) at the beginning of next school year and will be training there for the remainder of this school year.
- Troy Coil is our new Vice Principal. Jerry Beck is our new Counselor. Sandee Probst has moved to the Focus Center as secretary and Michele Mosteller is our new Media Center assistant. Monica Medina will be the new ESL Aide. We now need to hire a new aide to help in the IAES classroom and are working on hiring two, part-time mental health counselors.
- Our counseling office will be having an interim audit on February 13, 2019.
