SCHOOL PROGRAM REPORTS/DISCUSSION:

Millcreek HS had a YIC Audit and a Special Education Audit which we are waiting to hear back on the results. We have 3 awesome teachers in the Special Ed. Dept. and great aides.

COVID update is the Superintendent is in favor of keeping students in school. We are having to help cover for those that are out due to being quarantined from positive results or being exposed.

Our annual Thanksgiving Luncheon is postponed due to COVID restrictions set by the governor. We are hoping to hold it in the spring.

Ideas discussed for TA Service Opportunities for Dec. 17<sup>th</sup> were making cards or a video to share at Care Centers that can not

have visitors at the present time. Service to 1<sup>st</sup> Responders, help at the Food Bank, pick up garbage, Veteran's Hospital service, etc.

Faculty Auction will be held on Dec. 3<sup>rd</sup> to earn money for the Secret Santa project. Everyone is welcome to come and participate. Teachers pick the name of a needy student and shop for that student without them knowing who it is from.

Our Mental Health program was discussed with Megan Bigwood being our counselor, Dale Esplin, counselor, Bear who is available for students out in the beach house, and our wellness center located in the library.

Dawn Wright stated that she had received an email that our committee was to follow up and complete a report on internet safety and cyberbullying. Rusty was going to check with the district since they were supposed to address this issue and has a person in charge of that.

**NEXT MEETING: February 2, 2021**
