## Foreword

We want to welcome you to PINE VIEW HIGH SCHOOL. We encourage you to take a moment and review the information within this handbook. This Parent/Student Handbook was developed to answer many of the commonly asked questions that you and your parents/guardians may have during the course of a school year. Because the handbook also contains information about student rights and responsibilities, each student is responsible for understanding its contents. Please take time to become familiar with the information contained in the handbook. Should you have any questions that are not addressed in this handbook, please contact a member of the high school administration.

## SCHOOL FIGHT SONG

Pine View shall reign victorious  
of this we have no fear.  
Forever onward we will go  
triumphant through the years.  
Maroon defines our courage,  
black strength and bravery.  
The silver on our banner lights our path to victory!!

(Students, parents, alumni, and fans are to stand during  
the playing of the Pine View High School fight song.)

### Section I - General Information

#### STUDENT RIGHTS AND RESPONSIBILITIES

Pine View High School is a school which emphasizes respect. This respect is expected of both students and staff creating a climate conducive to learning.

Each student can expect to receive the opportunity for a quality education in a safe, nurturing environment. It is the responsibility of each student to arrive on time and be prepared to participate in the educational process.

The rules and procedures of the school are designed to provide an atmosphere where each student may obtain an appropriate education.

#### STUDENT WELL BEING

Student safety is of the utmost importance to the staff at Pine View High School. All staff members are familiar with steps to ensure student safety during an emergency situation such as a fire, an earthquake, a shelter-in-place or a lock down. Students should become aware of these emergency procedures as drills are conducted during the course of the school year. Should a student become aware of a dangerous situation or accident, he/she must report this to a staff member immediately. Students with special health-care needs should arrange to meet with a member of the administration to discuss procedures for disbursement of medication at school, as

well as any alternative educational or attendance programs that may be necessary.

## **INJURY AND ILLNESS**

All injuries must be reported to a teacher or to the front office. The staff member who is in charge of the class where the student was injured must fill out an accident report form. If medical attention is required, a school representative will follow basic first aid guidelines.

If a student becomes ill during the course of the school day, he/she will be required to check out with the attendance office before being released. Checking out with the attendance office does not excuse a student from school. The parent/guardian must call in to excuse the student from classes which he/she missed due to the illness.

## **ALTERNATIVE EDUCATION PROGRAMS**

Washington County School District provides a variety of educational programs for students with unique circumstances which prevent them from being successful at Pine View High School. If your student would like to be considered for an alternative educational program, please arrange to meet with a school administrator.

## **STUDENT TRANSFER**

It is the intent of the Washington County School District that each student shall attend the school designated according to his or her primary residence. Parents and students considering a transfer from or to another school are advised to carefully review the policies and procedures as laid out by the Washington County School District as well as the Utah High School Activities Association before initiating the transfer procedure. Complete information concerning student transfer can be found at: [http://www2.washk12.org/policy/2000/2920\\_enrollment.html](http://www2.washk12.org/policy/2000/2920_enrollment.html)  
<http://www.uhsaa.org/handbook/bylaws/bylaws.pdf> (See Section 8)

## **CONTACTING AND RELEASING STUDENTS**

Parents should not call their children at school except in cases of serious emergencies. The school telephone system is used for school business and should not be used by students except in emergencies. Persons other than parents or legal guardians (As identified through the WCSD PowerSchool student information system) are not allowed to contact students at school nor obtain release of students from school.

Parents and guardians are encouraged to limit checking their students out to as minimum as possible, so as to not adversely affect their students' instructional time.

## AUTOMOBILES ON CAMPUS

It is the policy of the Washington County School Board that all traffic and parking laws will be enforced by local law enforcement on Washington County School District property. Students are expected to drive on campus in a safe and courteous manner. A 10 mph speed limit in the parking lots should be strictly adhered to.

Driving off designated roadways, driving in a reckless manner or driving at speeds in excess of legal limits may result in loss of driving privileges on campus. Students and parents must be advised that the school is not liable for theft or damage of cars using school parking facilities. Additionally, students and parents must be advised that all persons and vehicles entering school property are subject to search.

## PARKING

Students are permitted to drive to school providing the privilege is not abused and all regulations are respected. Students who want to use the parking facilities of the school must agree to abide by the following parking regulations:

1. Students are to park only in designated student parking areas (east and north parking lots). Students cannot park in the faculty parking areas west of the school (behind the school) or in areas where the curb is painted red, green, or yellow. These lanes must remain clear to allow for fire lanes and access of buses.
2. Parking in designated handicapped parking areas will result in a ticket and fine. This is a violation of Utah law and will be enforced by the St. George Police Department.
3. Students are not to remain in their cars after they are parked.
4. Pine View High School may exercise the right to deny parking privileges, have a vehicle towed, or place a wheel lock on the vehicle which will be removed at the expense of the student if parking regulations are ignored.
5. Students who violate parking procedures (on sidewalks, across parking lines, in marked areas, or in visitor parking, faculty parking, etc.) shall be subject to disciplinary intervention.

## LOCKERS

Lockers are school property and are issued to students for storage of school books and school equipment. Students are responsible for keeping their lockers neat and clean both inside and out. They must not write on, scratch, carve, dent or in any way deface or mutilate their lockers or anyone else's locker.

Students who violate these regulations will lose locker privileges and will be required to make payment sufficient to cover damages. School officials reserve the right to search all lockers. Illegal items found in lockers may be confiscated, and students to whom the lockers are assigned may be prosecuted. The school is not responsible for stolen items.

## SCHOOL LUNCH

Lunch will be made available for purchase (through the Washington County School District Food Services Department) at Pine View High School for each full school day of the academic year. For information concerning menus, meal costs, free lunches, etc., go to: <https://www.washk12.org/food-service/menus> or contact the WCSD Food Services Department at (435) 674-6490.

## ASSEMBLIES

Assemblies are for the entire student body and should be attended out of respect for those performing and for the time and effort of those organizing the activities. Please be quiet; respectful attention is expected of all Pine View High students. A disruptive student may be required to leave the assembly and report to the office for appropriate discipline.

## CAMPUS VISITORS

If a student desires to be accompanied at school by a visitor, a special visitor's pass must be obtained from a school administrator. Visitor passes will not be given to students who are or should be enrolled in a school in Washington County. Student visitors must be age appropriate and cannot be high school graduates. A student can sponsor no more than one campus visitor at a time. **A visit can last no longer than one school day.**

## SKATEBOARDS, ROLLER BLADES, ETC.

According to state law and because of the threat of serious injury, skateboards, roller blades, etc., will not be allowed on campus. This includes but is not limited to: halls, walkways, sidewalks and all parts of the parking lots around the school as well as handrails and brick corridors leading into the school.

## CELLULAR PHONES/ELECTRONIC DEVICES/MUSIC DEVICES

Cell phones, electronic devices, and music devices are a distraction to the educational environment. If a student has and utilizes any of these items at school during any instructional time, it will be confiscated and the student will face disciplinary intervention. The student will be subject to the following administrative steps:

**First Offense** - Item confiscated and held until the end of the day

**Second Offense** - Item confiscated and parents pick up

**Third Offense** - Item confiscated, parental pick up, suspension

**Fourth Offense** - Administrative determination

## STUDENT TELEPHONE USE

A student telephone is available for the students to use **before** and **after** school. It will also be available at **lunch time**. It will not be available during class time unless a student has written permission.

## STUDENT INSURANCE

Student insurance is available to all members of the student body at a minimal cost. It is recommended that all students have some type of health and accident insurance. Neither the school nor the Washington County School District Board of Education is an insurance agent. **The district does provide the opportunity for an insurance company to serve you. Acceptable documentation for fee waivers include verification based on income tax returns or current pay stubs. No other documentation is acceptable. A school is not required to keep documentation on file after the verification is completed. Sensitive documentation is reviewed at the school level by an appropriate school administrator and immediately destroyed or returned to the person making the submission.

## DID YOU KNOW?

*Pine View High School faculty and students are evolving into a Professional Learning Community by focusing our academic efforts on four essential questions:*

- 1. What do we want students to know?*
- 2. How will we know if they learned it?*
- 3. How will we support them if they don't?*
- 4. How will we celebrate when they do?*

## ASSEMBLY RULES AND GUIDELINES

All assemblies should be in good taste and reflect Pine View High School's educational excellence as well as showcase our quality students. Students observing or participating in an assembly must adhere to the following rules:

1. All assemblies and election speeches (including scripts, videos, skits, speeches, etc.) will be pre-approved by the Assembly Approval Committee at least 1 day prior to performance.
2. Once an assembly has been approved, no changes or additions can be made. In the event that an addition or change to the original approved assembly is made, those making the changes will be subject to disciplinary action.
3. Cross-dressing, sexual innuendos or references, and the demeaning of any individual or group will not be tolerated.
4. With the exception of school approved uniforms, students must adhere to the Washington County School District dress code during all assemblies.

10. All skits will demonstrate respect for life in its various forms as well as respect of self and others.

## **SECTION V - STUDENT CONDUCT**

### **PHILOSOPHY OF DISCIPLINE**

Good discipline is a critical component in maintaining an environment conducive to learning. Students who are guilty of disciplinary infractions are often disruptive to the educational process. At Pine View High School, we work to maintain a safe and caring learning environment where students will maintain and further develop self-discipline so that the exercise of individual rights does not infringe upon the rights of others.

Discipline will be carried out in such a way as to preserve the dignity of individuals, however disciplinary infractions will not be overlooked.

### **ATTENDANCE POLICY**

#### **Philosophy:**

Washington County School District and Pine View High School are committed to providing quality education for our students. Inasmuch as it is our purpose and mission for “*every student a success*,” the following attendance procedures are established for structure and to support our local and state school attendance policies. The intent is to help our students develop sound attendance practices and prepare them to be employable and responsible citizens.

- PVHS will focus on positive interventions for students having issues with excessive absences and/or tardies. Students who are marked truant from Class will be required to attend lunch detention or other appropriate administrative actions to remediate the truancy.
- Missing school may result in a student being ineligible to participate in any extracurricular activities and sports for the truancy
- Per WCSD [policy 2900](#), parents may excuse absences no more than one week after the absence.

#### **Compulsory Attendance**

Utah Code 53A-15-1501 Parental Rights in Education is specific in placing the responsibility of regular daily attendance on parents. As a school, we support a philosophy to assist parents in helping their child develop sound attendance practices. The procedures herein provide a means where all parties can work together for the educational benefit of students. Our goal is to involve parents and school staff in resolving attendance problems before resorting to

and involving juvenile court. A checklist is maintained for each student who has attendance problems to document earnest and persistent efforts by the school. School staff will be using Powerschool to document attendance and any associated problems.

Students are responsible for the completion of any work missed due to absence, regardless of the reason for the absence (excused, unexcused, truant). Students with absences prior to the midterm week will be allowed to submit completed make-up work through the midterm grading period. Students with absences following the midterm week will be allowed to submit completed make-up work through the end of the current grading period.

### **School Attendance Committee**

The school attendance committee will consist of an administrator, counselor, attendance secretary, and other staff members as needed.

The committee will meet as needed (based on the recorded habitual trancies or excessive absences), to consider steps to correct attendance problems for individual students. Committee members will also serve as part of the mediation process as agreed upon by parents.

### **Absences will be assigned the following marks on PowerSchool:**

T- Tardy	E- Excused Absence	X- Unexcused Absence
S- Truant	M- Medical/Chronic Illness	F- Flu
H- Homebound	C- Covid	A- School Related Activity
O- Office Excused		

### **PVHS Attendance Policy**

**Absences:** All absences are per class not total absences and all absences are considered in the total, excused and unexcused.

- At 5 absences and failing grades, the first email will be sent to parents. Teacher contacts parents and students about the concern.
- At 7 absences and failing grades, a second email will be sent to parents by an administrator or counselor to discuss the concern and possible solutions.
- At 9 absences and failing grades, a third email is sent to parents, student/parents are required to meet with administration to discuss solutions/alternative placements.
- At 11+ absences students/parents may be required to meet with district student services director Karen Bess to determine court referral as per administration. Students may be referred to juvenile court or youth court for excessive attendance/truancies.
- At 11+ absences and with a failing grade, students will fail the class and be transferred to an online version of that class immediately to recover the credit, students will have to pay

- the \$50 fee for credit recovery.
  - If students recover the credit before the first day of the next quarter they may be reimbursed the \$50 fee as an incentive to quickly recover the credit. This will replace the credit for graduation, not the F on the transcript.
  - If the student does not recover the credit by the first day of the next quarter they will be enrolled in a Basic Academic Skills class in place of an elective until they recover the credit for classes required for graduation.
- Appropriate administrative action for trancies which may consist of 2 consecutive days lunch detention per truancy or other consequence as deemed appropriate by the administration.

**Tardies:** A student is considered tardy if he/she is not in the classroom when the tardy bell rings. Total tardies, per class, will result in the following:

- 3 + Teacher emails/calls home to discuss the tardy problem
- 5+ Admin email/calls home to discuss tardy problems (warn of consequences).
- 7+ Parent/Admin meeting/appropriate administrative action (i.e. lunch detention) assigned for every tardy after this point.
- 10+ In school suspension or other intervention as per administration.

Parents and legal guardians are permitted, by Washington County School District policy, to excuse tardies for **First** and **Sixth** periods **only**. Parents are expected to call the school attendance secretary at 435-628-5255 to excuse their child's absence from class within two school days following the absence or tardy. We encourage parents/guardians to pick up a PVHS Educational/Family Leave Form from the attendance secretary if the student will be absent for more than three days. Parents/Guardians will be asked to meet with PVHS Administration to resolve significant attendance issues.

#### **LEAVING SCHOOL DURING THE SCHOOL DAY**

- **Students must sign out at the attendance office before leaving campus for any reason (except lunch).** Phone calls from parents are acceptable for check out. Should a student miss school the day of an activity for illness, he or she may not participate in that evening's activities- including games and fine arts performances. A truancy will render a student ineligible for that week.

Pine View High School...

How do YOU feel?

### **EXCUSING STUDENTS FROM SCHOOL**

Students may be excused from school prior to or on the same day as the absence. If the student has not been excused within this timeframe by a parent or guardian, the unexcused absence becomes permanent. For convenience, parents may reach the school 24 hours a day, 7 days a week, by calling 628-5255, ext. 4103.

### **EXPECTED STUDENT BEHAVIOR**

Students are expected to behave in a manner that will be a credit to themselves and to Pine View High School. Whether at school or at school sponsored activities, students should be appropriate in dress, language and behavior.

Students are expected to be respectful to other students and staff members and not do anything that may place the safety of another in jeopardy. Students are also expected to respect the property of

others as well as the school. When a student has demonstrated inappropriate behavior, the following steps will be taken in order to attempt to correct the inappropriate behavior and provide the student with the best, most effective education possible.

## WCSD Safe Schools [2110-Safe Schools](#)

The Board of Education of the Washington County School District recognizes that every student in the schools should have the opportunity to learn in an environment that is safe, conducive to the learning process, and free from unnecessary disruption.

The safety and well being of students at Pine View High School is paramount. Students who feel welcome and safe will better achieve academically and be more apt to develop an ownership in and a sense of belonging to our school.

To foster such an environment the following policy has been adopted and is based on the following principles: Each student is expected to follow accepted rules of conduct.

1. Each student is expected to show respect for other people and obey persons in authority at the school.
2. The policy applies to students while in the classroom, on school grounds, on school vehicles, and in school-related activities or events.

**Suspension** is not the deprivation of a right to learning but is the temporary denial of social interaction through school contact and the removal of the person from the classroom setting because of real and present disruptive effect of his/her presence, or a reasonable assumption that his/her presence will be disruptive or a threat to the well-being or safety of himself/herself and other students or staff. Suspension may carry with it conditions which must be met to remove the suspension. Such conditions may be a joint responsibility or school personnel, the student and parents, or the sole responsibility of any one party. Suspension is for no more than 10 school days per incident.

**Expulsion** is defined as the removal from school for any period longer than 10 consecutive days but not more than one school year.

### **A STUDENT MAY BE SUSPENDED OR EXPELLED FROM SCHOOL FOR ANY OF THE FOLLOWING REASONS:**

1. Frequent or flagrant willful disobedience, defiance of proper authority or disruptive behavior, including the use of foul, profane, vulgar or abusive language.
2. Willful destruction or defacing of school property.
3. Behavior or threatened behavior that poses an immediate and significant threat to the welfare, safety, or morals of other students or school personnel or to the operation of the school, including bullying, emotional, physical or sexual harassment.
4. Possession or use of pornographic material on school property. (H.B. 100- 4-30-07)
5. Possession, control, or use of an alcoholic beverage as defined in Section 32A-1-105 of the Utah Code.

6. Possession, control, or use of tobacco;
7. Behavior that threatens harm or does harm to the school or school property, to a person associated with the school, or property associated with any such person, regardless of where it occurs.
8. Because of identification and association with gangs, the following will not be permitted on school campuses or at school activities: bandanas or any article of clothing bearing gang symbols, names, initials, insignia, or anything else that signals gang affiliation.
9. When a school official determines that time is needed to establish further facts of an act or series of acts of disobedience and misconduct disruptive to the learning process which may lead to suspension or expulsion from school.

**A STUDENT SHALL BE SUSPENDED OR EXPELLED FROM SCHOOL FOR ANY OF THE FOLLOWING REASONS:**

1. Any serious violation affecting another student or staff member, or any serious violation occurring during school hours, including lunch/break time, in a school building, in or on school property, or in conjunction with any school activity, including:
  - a. Possession, control, or actual or threatened use of a real weapon, explosive, or noxious or flammable material;
  - b. The actual or threatened use of a lookalike weapon with intent to intimidate another person or to disrupt normal school activities;
  - c. The sale, control, or distribution of a drug or controlled substance as defined in Section 58-37-2;
  - d. The sale, control, or distribution of an imitation controlled substance as defined in Section 58-37b-2;
  - e. The sale, control, or distribution of drug paraphernalia as defined in Section 58-37a-3.
2. The commission of an act involving the use of force or threatened force which if committed by an adult would be a felony or class A misdemeanor.
3. A student who commits a violation of section 1A above involving a real or look alike, weapon, explosive, or flammable material shall be expelled from school for a period of not less than one year, unless the Superintendent determines, on a case-by-case basis, that a lesser penalty would be more appropriate.

A student may be required to attend a mentoring life skills course taught at PVHS as part of a consequence for behavior or academic violations. A student may be denied admission to school on the basis of having been expelled from that or any other school during the preceding 12 months. A suspension or expulsion under this policy is not subject to the age limitations under Subsection 53A-11-102(1).

## DRESS CODE

WCSD Policy: <https://procedure.washk12.org/policy/2000/2200>

WCSD Dress and Grooming Guidelines:

[https://docs.google.com/document/d/1yL\\_NrOyYyIIkR\\_ggxmRulzDlxZbhvvrnNPc37W1ur4/e/dit?usp=sharing](https://docs.google.com/document/d/1yL_NrOyYyIIkR_ggxmRulzDlxZbhvvrnNPc37W1ur4/e/dit?usp=sharing)

Students who attend the schools of Washington County School District are expected to come to school dressed and groomed appropriately for a learning environment and show respect for others by supporting the following dress and grooming standards. These standards are intended to ensure that every school in the Washington County School District will be a safe place for each student to learn, free from physical or moral threats and free from intimidation by others, to include gangs and gang appearance.

### **Dress and Grooming standards:**

- The attire (apparel) and grooming of all students should be neat, clean and safe.
- Students have the responsibility to avoid apparel that causes a distraction or disruption, interrupting school decorum and adversely affecting the educational process.
- Students must also avoid apparel that is offensive, represents a risk, or threatens student safety.
- Printed apparel is acceptable only if it is in good taste. Any apparel displaying profanity, suggestive slogans, pictures or graphics, or promoting substances illegal for consumption by a minor, will not be allowed.
- Clothes that are mutilated or immodest are not appropriate school wear. Dresses, shorts, skirts, shirts, and blouses should be modest in length(\*) and not revealing. (Tank tops, tube tops and garments that reveal undergarments may be considered revealing). (\*) For a more concise and functional understanding of the term “Modest” as interpreted for purposes of the PVHS dress code regarding skirts, dress length, shorts, holes in clothing, etc., A safe “rule of thumb” would be to keep such items to a length of no more than 4" above the top of the knee.
- Hats are not to be worn in school buildings during regular school hours. Any apparel approved for school wear should be worn in accompaniment with appropriate undergarments.
- Footwear must be worn and should be safe and hygienic. Shoes, boots and sandals are considered suitable footwear.
- Clothing attachments or accessories which could be considered weapons are not allowed.
- Students have a responsibility to cooperate fully with clothing standards required for special classes (such as shop, home economics, laboratories, physical education) and special school activities.

- Students have the responsibility to avoid grooming that causes a distraction or disruption, interrupting school decorum and adversely affecting the educational process. Students must also avoid grooming that is offensive, represents a risk, or threatens student safety.
- Extremes in body piercings (any piercing(s) utilizing visible adornment outside of a small, simple metal or clear plastic post, and / or traditionally pierced ears) such as gauges larger than a number 2 pencil width or, any other visible body, tongue, or facial piercing, or adornment will be considered extreme. Hair styles and hair colors may additionally be considered a distraction or disruption.
- Gang behavior, apparel or grooming is not appropriate at school (Reference Safe Schools [Policy 2110](#)).

As gang grooming styles and clothing continually evolve and change, the following prohibited items that have commonly denoted gang membership or affiliation are only representative of prohibited clothing. Additional grooming styles and apparel may be considered gang-affiliated, as identified in consultation with school officials and law enforcement authorities. Bandannas or any article of clothing or accessory bearing gang symbols, names, initials, insignia, or style of dress that indicates gang affiliation (ex: over length belts and long looping chains, etc..) will not be allowed. See additional information regarding gangs and gang related attire in the gang section of this handbook.

#### **Consequences for violation of the Student Dress and Grooming Policy:**

If a student's clothing is found to be in violation of the dress code the following steps may be taken:

- First Offense- Alternative clothing may be issued, or the student may be asked to change.
- Second Offense- Alternative clothing may be issued. Parents are to be notified.
- Third Offense- Considered insubordinate and disciplinary action may be taken, including suspension from school.

Again, the purpose of the Dress Code is that student dress or grooming not distract from or disrupt the learning environment. Students are expected to dress appropriately for school and learning as well as for safety to the student.

## **ALCOHOL AND TOBACCO**

A high school is a public, tax supported institution and is obligated to maintain and uphold the laws of the community and state by which it is created and supported.

The Utah State School Law specifically states that it is illegal for high school students to have alcohol or tobacco in their possession. While it is true some high school students do use alcohol or tobacco with full knowledge and/or consent of their parents, this in no way relinquishes the school of its responsibility. School policy concerning these agents is as follows:

1. A student possessing tobacco in the school building or on the school grounds will be asked to surrender this material to school personnel and will be referred to the Fifth District Juvenile Court. The student will also be suspended from school for a period of not less than one day. Parents will be notified of any such action.

2. The use or possession of alcohol and drugs seriously affects a person's behavior and will not be tolerated. If a student is found in possession of alcohol or drugs or any over the counter product on school grounds, or during school hours, or if a student comes to school under the influence, he/she will be suspended from school, referred to juvenile court and recommended for expulsion for one calendar year. Parents will be immediately notified. **We have a zero tolerance policy where drugs and alcohol are concerned.**

## **PROFANITY**

The use of vulgar or profane language at school or a school sponsored activity is in violation of state law. The law requires that students guilty of this offense be suspended from school. The law allows for violators to be expelled for up to one calendar year. Flagrant or hostile use of profanity will result in immediate suspension and recommendation for expulsion.

## **GANGS**

The standard in the Washington County School District is that every school will be a safe place for each student to learn. Each school will have a positive learning environment free of intimidation or harm from gangs or anything related with gang-type appearance, dress, behavior, attitude or activity.

Because of identification and association with gangs, the following will not be permitted on the school campuses or at school activities: bandannas or any article of clothing bearing gang symbols, names, initials, insignia, or anything else that signals gang affiliation.

Gang related items found on campus at PVHS may be confiscated and retained by the SGPD. An up to date list of all items identified by the St. George Gang Task Force (Unit of the St. George Police Department) as gang related may be viewed in the PVHS main office upon request. Violators will be subject to discipline action in accordance with PVHS and WCSD policies.

## **HARASSMENT**

Harassment in any form will not be tolerated. It is the intent of Pine View High School to provide an environment for students which is free of harassment and discrimination whether based on sex, age, marital status, race, religion, color, national origin, pregnancy or parenthood.

While it is not possible to describe all forms of harassment or discriminatory conduct, such conduct shall include jokes, slurs, innuendoes, epithets, threats, unwelcome advances, unwelcome touching, request for sexual favors, and other verbal or physical conduct such as sexual or racially related comments.

It should be noted that shirts which contain obscene messages are considered forms of harassment. Students who feel they have been or are being harassed in any way have the right and are encouraged to report the problem immediately to the Principal, Assistant Principal, or Counselor.

The Principal or designated administrator/supervisor will conduct a preliminary investigation when he/she receives an oral or written complaint, observes, or has reason to suspect harassment.

A Disciplinary action for such behavior will include suspension and may include expulsion. Additional information is available on-line at: [Non Discrimination and Prevention of Harassment. Title IX Sexual Harassment](#)
