

AMAZING!!

It's been 20 YEARS since
Red Mountain Elementary Opened!
1998 – 2018

You are invited to a
20th Year Open House
Friday, May 4
4:00 – 6:00 pm

We would LOVE to see and visit with everyone who has worked or is still working at Red Mountain Elementary. This is a special opportunity to remember the “Good Old Days” and the wonderful people who have worked at RMES!

Current Principal Amy Mitchell is pleased to allow us the use the school for this Open House. There will be light refreshment and lots of happy people to see. We need to get this invitation to everyone who would like to plan to come. Please help us by sending this invitation to anyone who has worked at RMES since 1998.

*RSVP any one of us if you are planning to come so we can have a count for refreshments. Please come as there are many who would like to see you!
