

# Community Council Meeting

## November 7, 2018

Conducting: Mande Dover

Attending: Mande Dover, Jessica Holdcraft, Micklee Hiatt, Jenny Leavitt, Dallas Dixon

Reviewed and had members sign the Schoolwide Plan.

Trustland Report update for 2018/2019: Jenny Leavitt

Jenny spoke of ways we are tracking reading for our students.

Lower Grades will be monitored as follows:

Students who are way below grade level will be assessed weekly, those a little below will be assessed every other week. Everyone else will be assessed monthly.

4<sup>th</sup> and 5<sup>th</sup> graders will be monitored using the RISE language arts practice modules. Mrs. Lords has already been using this. It seems to work well. Practice tests are available for students to try before tests are given.

Other Items:

Storytelling : could we tell parents to leave small children home or have parents take noisy children out. This is due to an incident at story telling this year where a young child was disruptive while students were trying to tell their stories.

Parents would appreciate better communication and information about storytelling.

Title I funds: InfiniD lab – new science and math for students. Trial this year.

Red ribbon week – will happen later in the year.

Veterans Day – we will have flag ceremony, 21 gun salute, songs, assembly.

Holiday open house, Steam night, Evening of the Arts.

Christmas Dress up – no jingle bells. Send list out so parents can start buying stuff.

Next meeting: Wednesday, January 9<sup>th</sup> @ 1:15 p.m.
