March 29 Sage Testing Window Begins

April 4 PLC for Prof Dev 1:15 Dismissal

April 15 School Science Fair

April 23 Kite Festival @ Dixie State University

April 29 Arbor Day Talent Show

May 16-17 K Assessment (Appointments Only)

May 19 End of Year Program

May 24 Water Day 1:15 Early dismissal

May 25 Last Day of School

III. Community Council Legislative Changes- The state made new rules regarding the Community Council to review the CSIP plan.

IV. 2015-2016 School Goals- As a faculty we are finding that we have very few books that match the reading level and content area. We also use many software-based websites. It was moved that the school land trust money for 2016-2017 will be used for science and social studies materials. It was motioned by A. Thomas and seconded by E. Lang.

V. AmeriCorps- C. Snodgress informed the group about the opportunity for AmeriCorps service in our school. The individual would receive a small stipend and credit toward school. Shandee suggested that the notice be taken to the city library to find interested individuals.

VI. PTO- The PTO is interested in funding the water day. The discussion was against climbing and water on the same day due to safety concerns. We are actively searching for a new chair for the coming year.

VII. Training Films- Council members will watch the CD and date the envelope indicating the day the information was reviewed.

VIII. Other:

- PBL needs a Parent Group to meet once a month to help teachers with resources for units. Any suggestions for parents to contact? Ideas were shared about how a parent group could support PBL.
- Bus Issues: We are in need of supervision for afternoon ride down the hill. Some parents have volunteered and issues have subsided, but as the year come to an end, we are still searching for bus monitors.
- It was suggested that Wildcat Willies would create a fundraiser with a band for funds for the coming year. Shandee will spearhead this idea.

A motion was made to close the meeting with no new date slated for the new year.
