

Parent & Family Engagement

Our school's motto is:

“We are the Three Falls Falcons.

Every student counts... Every moment matters.”

In order to support this motto and encourage parent & family engagement, we are committed to the following:

**Most of the opportunities for input will happen during our PTVO and Community Council meetings. Feel free to come and join us!*

School Goals and Responsibilities

- The school will provide programs, activities, and procedures for the engagement of parents and families, planned and accomplished with meaningful consultation of parents* of participating children.

Information Distribution

- The school will establish consistent and effective communication between parents in a language they understand through the following means: email, school Facebook page, school Instagram page, school website, school newsletters, and other media forms as seen appropriate. “Like” our social media sites and follow us.

Parent* Participation

- Parents will be given the opportunity to provide input on family night activities held.
- Parents will be given the opportunity to provide input on the school-wide plan.
- Parents will receive updates and summaries throughout the year on how the school is doing on completion of the plan.
- The school will provide parents with specific opportunities to be involved in their child’s education: grade-level field trips and programs, classroom parties & volunteering, school-wide assemblies, reading to/by/with students, hands-on activities, safety procedure training, etc.
- Parents are invited and encouraged to attend all scheduled meetings to share ideas for school improvement, to bring about increased student achievement, and school-community success

Parent Support

- The school will hold all district calendared SEPs. When parents are unable to attend, the school will provide phone conferences, Google Meet conferences, or in-home conferences.
- Our full-time school counselor will be available during school hours to provide information on community services available, parenting tips, and other support, upon request by a parent.

**The word “parent” is equivalent to “guardian”.*

If you have any questions about our parent and family engagement plan, please contact Principal Jennifer Eggleston at jennifer.eggleston@washk12.org or call the school at 435-635-7229. We look forward to a wonderful year, interacting with and learning from our parents and families.
