BEHAVIOR AND CITIZENSHIP

Respect and Responsibility at Water Canyon High School

Student Behavior

Learning to be a good citizen is an important lesson taught in school as well as at home. **Courtesy to teachers, school employees, other students, and visitors are expected from all students.** Students should be considerate of the rights, safety, property, and feelings of others, despite race, gender, religious or economic background. Students who choose to harass others for any reason will be disciplined promptly.

Work Ethics Guidelines

Certain behavior is expected and necessary for school, just as it will be for the workplace. Water Canyon High School students have an advantage because they learn and practice these behaviors now, and they become second nature.

1. Arrive on time; be ready to work.
2. Come prepared with all necessary materials.
3. Turn in clean, legible assignments on time.
4. Avoid disrupting the teaching and learning environment.
5. Be respectful of others.
6. Follow teacher instructions and obey classroom rules.

Students who repeatedly have problems following the Work Ethics Guidelines--so that they are interfering with the learning environment of others and for themselves--may be assigned to an alternative program outside of regular classes.

Cheating/Plagiarism

If a student cheats on an assignment or test, they will automatically receive a zero for the work in question. The teacher will note that the student was cheating in PowerSchool and parents may be contacted about the situation. Additional consequences of cheating, plagiarism, or use of AI whether intentional or not, will be determined on an individual basis by the student's teacher, and administrators, depending on the frequency and severity of cheating.

Assignment Makeup (Missing School)

All work missed during any missed class time for any reason (excused, unexcused, tardy, etc.) is the responsibility of the student to make up. Assignments given prior to mid-term may not be able to be made up after mid-term and zero credit would be given for those assignments not in by that deadline. Additionally, if an area of study is completed, departments may not let you do makeup work after an area is done depending on the department and work that is missed. **Individual teachers or departments may have procedures to follow to determine the amount of time given to get missed assignments after missing class, please refer to their disclosure statements.**

Internet Acceptable Use Policy

WCHS has internet access throughout the building; however, in order for students to have access to the internet they must follow the WCSD "Acceptable Use Policy". **Failure to follow this policy may result in the loss of computer privileges.** There may also be disciplinary or legal action taken for illegal or inappropriate material being viewed or downloaded.

Electronic Devices

Cell phones, portable music players, headphones, and other electronic devices **may NOT be used during class time and should be kept in a backpack.** [WCSD Cell Phone Policy](#) Unauthorized use of these devices by students will result in the following actions:

- **First offense** - the device will be confiscated and returned to the student at the end of the class period.

- **Second offense** – the device will be confiscated and must be picked up from the office at the end of the school day.
- **Third offense** – the device will be confiscated and must be picked up from the school by a parent/guardian. A conference with an administrator will be held where disciplinary actions may be taken.
- **Fourth offense** – the student is considered insubordinate and disciplinary action is applied.

Dress Code and Grooming Policy

Washington County School District Policy:

Students who attend school in WCSD are expected to come to school dressed and groomed appropriately for a learning environment and show respect for others by supporting the following dress and grooming standards. These standards are intended to ensure that every school in the WCSD will be a safe place for each student to learn, free from physical or moral threats and free from intimidation by others, including gangs and gang appearance.

Students have a responsibility to cooperate fully with clothing standards required for special classes (such as shop, home economics, laboratories, physical education) and special school activities.

Full School District Policy- [WCSD Student Dress Code and Student Dress Guidelines](#)

All tops (blouses, tee shirts, dresses, etc.) need to, at minimum, hang over the shoulder covering the entire top of the shoulder and cover the entire upper body hanging over your bottoms. No bare backs or midriffs or clothing that is translucent enough to see skin through and tops should completely cover undergarments.

All bottoms (shorts, skirts, dresses, etc.) need to be a modest length. Bottoms need to be worn high enough not to show any underwear.

All clothes should not show any bare skin, or show skin through them (back, midriff, slits in pants, etc.) in any of those areas that should be covered by tops or bottoms. An undershirt or shorts would need to be on underneath these clothes covering skin from being exposed in those areas if they aren't covered.

No clothing with explicit words, symbols, or pictures is allowed at school. No clothing with logos of alcohol, drugs, or adult content should ever be worn to school.

Please make good clothing choices and dress appropriately for school. Pictures and information will be on the school website, shown throughout the school, as well as disseminated to all students at the beginning of the school year. Dress code violations will be handled by the administration with students being sent to the office. In a first offense, clothing to cover up areas that are not appropriate will be provided (clothes need to be returned to the school or paid for by the student) or the student may try to find something to wear from a friend or call home. If the same piece of clothing, or a similar piece of clothing, is worn a second time after their first violation, parents will be required for a meeting with the student and the administration. **Once again, please make good clothing choices and dress appropriately for school.**

Fighting

Fighting will not be tolerated. Any fighting will result in both parties being suspended from school. If you are concerned that you or others may be involved in a fight, report your concern to the office immediately. Multiple instances of fighting will result in the student being sent to an alternative location.

Skateboard/Rollerblade Policy

Washington County School District has adopted a **no skateboard or rollerblade policy** on all of their school campuses. WCSD is not responsible for any accident that may occur as a result of riding skateboards or roller blades on school property.

Substitute Teachers

Substitute teachers are to be considered guests in our school with as much authority as the regular teacher. It is the responsibility of students to see that every courtesy and assistance is offered to substitute teachers. Substitutes will send students who repeatedly disrupt the class or show disrespect to other people in the class to the main office.

Public Displays of Affection

Students are not to physically express affection in public. This means students should not hold hands, embrace, kiss, etc. Students who repeatedly engage in inappropriate displays of affection face possible administrative discipline.

Vandalism/School Property

Students must not mark on school furniture, walls, ceilings, floors, buses or equipment, or tamper with fire alarms, fire extinguishers, or any electrical systems. **Anyone who willfully destroys school property or creates a safety hazard to themselves or others will be subject to school disciplinary measures and charged for repairs.** Additionally, the individual may be referred to the proper law enforcement agency.

ATTENDANCE

School Hours

The school day begins at 8:15 a.m. and ends at 2:40 p.m. unless students are working with a teacher, involved in a school activity, or on a district-wide early out schedule. The building will be open from 7:30 a.m. to 3:15 p.m.

To check a student out from school before the end of the school day, a parent/guardian must come into the office. For the safety of our students, phone calls from the parking lot will not be sufficient to allow the student to leave the building.

Attendance

The Washington County School Board wants to make every effort to be in compliance with state law and work together in harmony with parents and to assist them with their responsibility to have their children in attendance at school. ([2900 Attendance District Policy](#))

Absence: An absence is defined as any time a student is not in attendance in the classroom to which he or she has been assigned. **Students are responsible for the completion of any work missed due to absence regardless of the reason for the absence.**

Excessive Absences

If a student reaches **4 absences** in any given class in a quarter an email will be sent home to the parents notifying them. If a student reaches **6 absences** in any given class in a quarter a phone call to the parent from the administration or counselor will be made to discuss the situation. If a student reaches **9 absences** in any

given class in a quarter a mandatory meeting will be set for the parent to discuss the situation with the administration. If a child reaches **11 absences** they may be required to transition to online recovery of credit for that class and be required to pay the \$50.00 fee associated with that program.

Unexcused Absence/Tuant: All absences that are not excused by a parent are classified as unexcused absences. Teachers will mark the students as unexcused if they do not know why they are absent, but will mark them as truant if they know that they were at school and are not currently attending their class.

Students who are marked truant will automatically lose the privilege of early lunch release and will need to work off the truant mark (to be determined by teacher or administration).

Tardy: A tardy is defined as reporting to class after the bell to start class has sounded. Students may be marked tardy if they are not in their seat when the bell to start class rings. Tardiness is disruptive to the normal class routine and can be detrimental to a student's achievement. Students who are persistently tardy to class (five or more total for a quarter) will lose the privilege of going to lunch early. Students may earn back the early lunch privilege by attending lunch detention or working with their teacher to work off excessive tardies.

A tardy may be excused by a parent when an emergency situation results in a student arriving to school late. **A student may not be excused for tardiness between classes, even after lunch** (except if they are taken by a parent and the parent notifies the office at the time of return).

Excessive Tardies

If a student reaches **3 tardies** in a given class an email will be sent home to notify parents. If a student reaches **5 tardies** in a given class students will be referred to Lunch Detention, and the student will be ineligible for early release for the entire quarter.

Transfers or Moving

A student transferring to another school must bring their parent/guardian the last day of attendance in order to check out. The check-out procedure begins in the counseling center and includes returning all books and school materials to teachers, returning all books checked out from the media center, and paying any fines. The counseling center must also have the student's new address and the name of the new school when possible.

Leaving School Before Last Scheduled Day

The Washington County School Board requires:

1. The student must submit a written request from parents to the school administrator **three days before leaving**.
2. Students need to be cleared through the administration before they make arrangements with the teachers. At this time, they will receive a check-out sheet and written confirmation.
3. All paperwork and assignments that are completed on time will be accepted and graded with the student receiving proper credit.
4. Tests and final exams are not to be given early.
5. The grade may be reduced if the student fails to be in attendance to take the final exam (the grade is not reduced because of the absence, but because of the student's failure to complete the final exam).
6. No student is to be given an incomplete grade the last term unless circumstances are so unique that it can be handled no other way. This applies to all students, not just those who leave early.

Educational Leave

If you will be absent to do something of an educational nature, you may apply for educational leave (see the assistant principal). The idea is to get, do, and turn in some of your homework in advance so that you won't have so much to catch up on when you get back. **Start the process at least 7 days before you plan to leave.**

SCHOOL PROCEDURES AND INFORMATION

Counseling Services

Counseling services are available to all students. Many problems dealing with both school and personal life can be resolved by counseling with a concerned person. The school counselors are happy to meet with you and to help you with personal problems that may arise. Ask your teacher for a hall pass or stop by the counseling center during the non-class time and make an appointment. The counselors are sincerely committed to helping each student get the most out of school and life.

Counseling Center Class Change Policy

Each class change will be considered by the counselors individually. To make a class change, see a counselor and the following procedure will be followed:

- All other student fees need to be paid in advance of doing a class change request
- **There is a fee to change a class.** Pay the \$5 at the front office after you have talked with your counselor.
- Class changes **will not be done for the following reasons:** If the change requires numerous changes to your schedule, or if the class is full or unavailable.
- **CLASS CHANGE DEADLINE:** All class changes each semester must be done by the end of the first week of that semester.

Hall Passes

Hall passes are required any time you are out of class during a regular class period. This includes going to the office or restrooms. You must have a hall pass from the teacher responsible for you that period.

Physical Education

Please put your name on your P.E. clothes and remember to **lock everything up every time you leave the locker room. Water Canyon High School will not be responsible for items lost/stolen from the locker room if they are not locked properly into the locker that is provided to you.**

If you cannot participate actively in P.E., you should bring a doctor's excuse which states what activities you must avoid and for how long. If you haven't been to the doctor yet, dress out and speak with your teacher.

Lockers

Lockers will be available upon request in the front office. Any problems with lockers should be reported to the office immediately. Lockers are the property of the school and may be inspected by administration at any time. Students should not keep valuables or money in their lockers. Leave valuables or excessive amounts of money at home. **Do not** give your locker combination to anyone; combinations **cannot** be changed during the year. Damage to the locker due to stickers, jamming, etc., is the financial responsibility of the student assigned to the locker.

Personal Property

Students must assume sole responsibility for loss or damage to any personal property left anywhere in the building, including a locker. The main office maintains a lost and found. **We strongly encourage you to leave expensive items at home.**

Media Center

The Media Center is open before school, during lunchtime, and after school for student use. The Media Center is for reading and studying. All books checked out through the library need to be returned in the same condition they were checked out and in.

Lunchtime

At lunchtime, students may purchase a hot lunch from the school, bring their own lunch from home, or go off campus **if they can get back to school on time for their next class. Students who repeatedly return late to class following lunch will lose their off-campus lunch privileges.**

Be sure to observe these lunch rules:

1. Clean up after yourself.
2. No crowding or cutting in line.
3. No throwing anything in the lunchroom.
4. No rough play in the lunchroom (yelling, running, pushing, etc.)
5. Be on time for your next class

Elevator Key

There is a \$10 refundable deposit for any student needing to use an elevator key. Once the key is returned a refund will be issued.

Bus Transportation

Bus transportation is a privilege granted by the school district. If you misbehave on the bus, an official complaint will be filed by the driver and turned over to the school administrator. You will be given a referral and your parents will be notified. Misbehavior on the bus can result in losing privileges to ride the bus to and from school.

Fire & Emergency Drills

Fire and emergency drills at regular intervals are required by law and are an important safety precaution. It is essential that when the fire alarm goes off, everyone obeys instructions promptly and clears the building by the prescribed route immediately. In the event of a drill, students will remain outside until the all-clear signal is given.

Evacuation Procedure

Students will line up with classes at the evacuation site, out on the elementary school field, and the football field parking lot. Students will line up with the teacher of the class they were in, or just left (if at lunch or between classes). In the event of an actual emergency, information will be sent via PowerSchool Messenger about reunification with further instructions including location and pickup time.

Visitors

All visitors must report to the main office upon entering the building. Visitors need to be cleared with the main office and approved to be on school property at any point during the school day.

Report Cards

The school year is divided into four grading periods or terms. These terms last for approximately nine weeks. During the year, students will receive one grade per class at the end of each term. Parents and students are strongly suggested to check PowerSchool consistently. If you need PowerSchool assistance, please contact the Main Office.

EXTRA-CURRICULAR ACTIVITIES

Student ID Cards

A student ID card is a passport to the activity program. It identifies a student as an "active" member of the student body. Lost student ID cards should be replaced. There is a \$5 charge to replace lost ID cards.

Student Government

Student government consists of several elected representatives from each grade. The purpose of student government is to give the students an active voice in school affairs. Students should know who their representatives are and communicate to them problems, concerns, good ideas, and suggestions.

Competitive Activities

Any student participating in a competitive activity during the school day or the evening **must be in attendance and on time to all classes that day** until leaving for the activity in order to be eligible to participate. A fee must be paid at Water Canyon High School prior to participating in 9th-grade team athletics (fee waivers are available). Student-athletes must meet minimum citizenship and academic requirements. Any questions regarding eligibility should be directed to the school counselors.

Insurance

Student accident insurance is available through a private insurance company. Families may choose from several different policy plans. Students who want to participate in extracurricular activities, but do not have family insurance, are encouraged to consider this insurance option. No insurance is provided for students participating in extracurricular activities by the school. The policy may be purchased at the first of the year. Contact the main office for more information.

Dances & Activities

There will be a variety of activities and assemblies presented during the year. Students should be on their best behavior. Those students who misbehave may be denied the right to attend future activities. Dances are for 9th-12th graders only.

School Chartered Clubs

Students are encouraged to be involved in school-sponsored activities and clubs. WCHS clubs and activities are in alignment with WCSD school board policy and local, state, and federal law. Refer to WCSD Policy 3640 on the school district website.

Technology Acceptable Use Policy (Abridged)

The information included below has been abridged to include only student responsible use information. The policy can be read in its entirety at the Washington County School District Website (**Policy 3700**)

COMPUTERS AND THE INTERNET

It is the policy of the Washington County School District to permit students, patrons, to have computer and Internet access under approved regulations and guidelines, to include those listed in the Children's Internet Protection Act, State Law, and policies adopted by the Board of Education. In general, the user's responsibilities require responsible, decent, ethical, polite, efficient, and legal use of computer and network resources. Students must not access obscene, pornographic, or material that is deemed to be harmful to minors. District and school personnel will instruct students on acceptable use of computers and Internet resources and proper network etiquette. All students are granted access to the internet, but all access to the internet through district resources is subject to the terms of the [Technology Acceptable Use Agreement and District policy](#).

Internet use is a privilege, not a right, and inappropriate use will result in a loss of network privileges, disciplinary action, and/or referral to legal authorities. The system administrators will close an account when necessary. An administrator or faculty member may request the system administrator to deny, revoke, or suspend specific user access and/or user accounts.

Authorized District employees have the right to intercept or read a user's e-mail, to review any material, and to edit or remove any material which they believe may be unlawful, obscene, defamatory, abusive or otherwise objectionable. If the District intends to impose any discipline upon a student other than revoking privileges for the remainder of the school year, the student will be afforded appropriate or adequate due process.

Nothing is private on the District-owned network. If a user accesses a particular site on the Internet, it is likely that someone knows the connections that the user is making, knows about the computer the user is using, and what the user looked at while on the system. Frequently these sites maintain records that can be subpoenaed to identify what the user has been viewing and downloading on the Internet. In addition, the District reserves the right to monitor whatever a user does on the network and to make sure the network functions properly. A user has no expectation of privacy as to his or her communications or the uses made of the Internet.

- Users are expected to abide by the generally accepted rules of network etiquette. These include but are not limited to the following:
- Be polite
- Do not be abusive in your messages to others •
- Use appropriate language
- Do not swear, use vulgarities, or any other language inappropriate in a school setting

INTERFERING AND ELECTRONIC COMMUNICATION DEVICES

This includes any device or object that may, if used or engaged, interfere with the educational process for either the student possessing or using the object or for other students. These devices include, but are not limited to:

Phones
Cameras
Lasers or Laser Pointers
Video broadcasting devices

Portable music players such as CD players, MP3 players, or iPods
Video games
Other electronic equipment or devices
Except as set forth below, a student may possess, but may not operate or engage, any interfering device during school hours or at school functions, unless specifically authorized in advance by the school personnel in charge of the class or activity.

It is District policy that students and others in the District will not be subject to video or audio capture, recording, or transmission of their words or images by any student at a school without express prior notice and explicit consent for the capture, recording, or transmission of such words or images.

During any time when a student is scheduled to be in class or involved in a regular school activity, it is a violation of policy for the student to have in his or her possession an electronic communication device or camera which is in the "on" position and ready to receive, send, capture, or record any communication, visual image, sound, text message or other information.

Electronic communication devices and cameras must not be possessed, activated, or utilized at any time by any person, including a student, teacher, staff employee, patron, or any other individual, in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, shower rooms, restrooms, and any other areas where students or others may change or be in any stage or degree of disrobing or changing clothes.

The principal or administrator of the school is hereby given authority to make determinations as to other specific locations and situations where possession of electronic communication devices and cameras is absolutely prohibited.

At no time may any electronic communication device or camera be utilized by any student in any way which gives the impression to others of being threatened, humiliated, harassed, embarrassed, or intimidated.

STUDENT DISCIPLINARY ACTIONS

Any electronic device found on District property is subject to search and confiscation. Pornographic or indecent material will be reported for possible criminal prosecution in accordance with the UCA 76-10-1235 and/or other applicable District, state, and federal regulations. For each observed violation of this policy, it shall be the duty of the school teacher or administrator observing the violation to immediately confiscate the interfering device. Employee or patron violations will be immediately reported to the appropriate school or District administrator. Furthermore, the school or District may take additional disciplinary action as described in other District policies. The confiscated device shall be forwarded to the administrative office together with the name of the person from whom the device was confiscated. The school office should make arrangements to notify the parent/guardian of the student from whom the device was confiscated and arrange for the parent or guardian to pick up that device at the school office.

Any use of an electronic communication device or camera to record sounds or images or otherwise capture material in an unauthorized setting or at an unauthorized time shall subject the user of the device to increased discipline based on the circumstances and whether the student has been involved in prior violations of this policy and/or other District Policies.

The use of any interfering device or any electronic communications device or camera to threaten, intimidate, or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft, or academic dishonesty may result in an immediate suspension of not less than three days nor more than ten days.

The use of any interfering device in a manner that may be physically harmful to another person, such as shining a laser in the eyes of another student, may result in an immediate suspension of not less than three days nor more than 10 days. When a student repeatedly engages in such behavior, the punishment may be increased as is appropriate.

Prevention of Sexual Harassment

Excerpts from WUSD Policy 2116

Sexual harassment includes any gender-related unwelcome written or verbal slurs, vulgar jokes, derogatory statements or actions. Sexual harassment also includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when the harassment is so severe, pervasive, and objectively offensive that it can be said to deprive the victims of access to the educational opportunities or benefits provided by the school and such harassment takes place in a context subject to the School District's control.

Student Complaint Procedures

If a student believes he/she is subject to harassment, the student should first consider telling the person that they do not like what is happening, that they consider it a violation of the school district policy on harassment, and that they want it stopped. In many cases, a clear statement that the student wants something stopped will be enough to take care of the situation. **Students are not required, however, to confront the person in this way.** The student has the right and **is encouraged** to report the problem immediately to the **principal, counselor, or assistant principal** at their school. Students should not feel embarrassed, intimidated, or reluctant to file a valid harassment report.

Any teacher, counselor, administrator receiving a report of harassment from a student must report the incident to the school principal or designated administrator or supervisor. The principal or designated administrator/supervisor has the responsibility to conduct a preliminary investigation when he/she receives an oral or written complaint, observes, or has reason to suspect sexual harassment.

Students or staff may request a district-level investigation by submitting the written complaint to the appropriate person, the Assistant Superintendent, the Superintendent, or the Human Resource Director.

The complainant and the accused have the right to be represented by a person of their choice, at their own expense, during sexual harassment investigations and hearings. Complainants also have the right to register sexual harassment complaints with the U.S. Department of Education's Office for Civil Rights or the Utah Anti-Discrimination Division/EEOC. Nothing in this policy shall be construed to limit the right of the complainant to file a lawsuit.

Retaliation Prohibition

Any act of reprisal against any person who opposes sexually harassing behavior, or who has filed a complaint, is prohibited and therefore subject to disciplinary action. Likewise, reprisal against any person who has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing of a sexual harassment complaint is prohibited and therefore subject to disciplinary action.

False Complaints:

False, malicious, or frivolous complaints of harassment will result in corrective or disciplinary action taken against the accuser.

Training

Principals in each school and program directors shall be responsible for informing students and staff of the terms of this policy, including the procedures established for investigation and resolution of complaints.

Bullying and Hazing Policy 3510 Prevention of Bullying and Hazing

The Washington County School Board is committed to protecting its students, employees and school guests from bullying or harassment of any type, for any reason. The School Board believes that all students, employees or guests are entitled to a safe, equitable and harassment-free school experience. **Bullying or harassment in any form will not be tolerated and shall be just cause for disciplinary action.** Conduct that constitutes bullying or harassment will be dealt with immediately and consistently.

"Bullying" is aggressive behavior that is intentional and involves an imbalance of power or strength. A person is bullied or victimized when he/she is exposed repeatedly and over time to negative actions on the part of one or more persons. Therefore "Bullying" means intentionally or knowingly committing an act that endangers the physical, and/or emotional health or safety of a student, a school employee, or a school guest. Any act involving any of the following elements will be considered bullying: (1) physical brutality, (2) forced or involuntary consumption of any food, liquor, drug, or other substance, (3) coerced actions or activities of a sexual nature or with sexual connotations, (4) physically obstructing freedom of movement, (6) verbal intimidation, such as teasing and name calling, (7) non-verbal and emotional intimidation through gestures, social exclusion. The conduct described above constitutes bullying, regardless of whether the person against whom the conduct is committed directed, consented to, or acquiesced in, the conduct.

"Cyber-bullying" is a form of bullying involving the use of email, instant messaging, chat rooms, cell phones, or other forms of information technology. Information put on the internet in social media form can be used to show cyber-bullying, even if it has since been deleted. **Use your best judgment and always be considerate of everything you post online ever, once it is out there, it is somewhere forever.**

"Hazing" is a form of bullying done for the purpose of initiation or admission into, affiliation with, holding office in, or as a condition for, membership or acceptance, or continued membership or acceptance, in any school or school sponsored team, organization, program, or event.

No school employee, student, or guest, may engage in bullying, Hazing or cyber-bullying anyone else: (1) on school property, (2) at a school related or sponsored event, (3) on a school bus, (4) at a school bus stop; or (5) while the school district employee or student is traveling to or from a location or event described above.
